AR-15 FLIP-UP INTEGRATED SIGHTING SYSTEM DIAM BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Distinctive Diamond Shape Helps Fast Sighting

Flip-up reserve sights employ unique diamond shape that gives specific reference points to help your eye instantly center the target in the sights. Clamps to securely Picatinny rail, with a locking system that ensures sights stay up securely and remain zeroed. When not in use, sights fold down with the push of a button. Front sight has angled ears protect the A2-type post and serve as visual reference point. Rear sight offers dual same-plane short and long-range apertures, horizontal white reference marks, and ½ MOA windage adjustments. Folds and deploys with either aperture active.

AR15 Integrated Sighting System Safety Instruction Guide

Introduction

Thank you for purchasing the AR15 Integrated Sighting System by Diamondhead USA. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your sighting system. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and related accessories responsibly and with care.
- Keep the sighting system out of reach of children and unauthorized users.
- Regularly inspect the sighting system for any signs of wear or damage before use.
- Report any unsafe conditions or incidents involving the product to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or adjusting the sighting system.
- Do not use the sighting system in conditions that may impair visibility or safety (e.g., extreme weather, low light).
- When deploying the flipup sights, ensure that they are fully locked in place before aiming or firing.
- Be aware of your surroundings and ensure that the target area is clear before using the firearm.
- Use the sighting system only for its intended purpose and in accordance with the manufacturer's instructions.

Instructions for Installation and Usage

Installation

1. Prepare the Firearm:

- Ensure that the firearm is completely unloaded.
- Remove any existing sights if applicable.

2. Attach the Sighting System:

- Align the sight with the Picatinny rail on the firearm.
- Securely clamp the sight to the rail using the locking mechanism.
- Ensure that the sight is locked in place and does not move.

3. Adjust the Sights:

- Use the rear sight's windage adjustments to align the sight with your target.
- Test the sighting system to ensure it is functioning properly before use.

Usage

- To deploy the front and rear sights, press the button to flip them up into position.
- When not in use, fold the sights down by pressing the button again.
- Adjust the rear sight for short or longrange shooting as needed.

Disposal Instructions

- Dispose of the sighting system in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's official website.

By following these guidelines, you will ensure a safe and effective experience with your AR15 Integrated Sighting System. Thank you for prioritizing safety while enjoying your shooting activities.
