# 6 PIECE HOOK AND PICK SET GRACE USA Safety Instruction Guide

## Introduction

Thank you for choosing the 6 Piece Hook and Pick Set by Grace USA. This product is designed specifically for both professional and hobbyist gunsmiths. It is important to read and understand this safety instruction guide to ensure safe and effective use of the tools.

## General Safety Guidelines

- Always use the tools for their intended purpose.
- Keep tools out of reach of children and vulnerable individuals.
- Inspect tools before each use for any damage or wear.
- Do not use damaged tools; replace them immediately.
- Store tools in a safe and dry location to prevent corrosion and damage.
- Follow all local regulations regarding safety and disposal of tools.
- In case of an emergency, seek medical attention if injuries occur.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the tools.
- Avoid using excessive force when handling the tools to prevent slipping and potential injury.
- Be aware of your surroundings and ensure that others are at a safe distance while using the tools.
- Do not use tools in wet or damp environments to avoid slipping.
- Always handle tools with care and store them properly when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools and materials before starting your project.

### 2. Using the Tools:

#### ◦ Small Scribe (1/8"):

- Use for marking and scribing lines on various materials.
- Hold the tool firmly and apply gentle pressure to create clear marks.

#### ◦ 30 Degree Bent Pick:

- Ideal for reaching into tight spaces.
- Use a gentle twisting motion to maneuver the pick without applying excessive force.

#### ◦ 90 Degree Bent Pick:

- Useful for prying and lifting objects.
- Ensure a firm grip and pull gently to avoid damaging the workpiece.

#### ◦ Double Bend Pick:

- Designed for intricate work in confined areas.
- Use with caution and precision to avoid slipping.

- **180 Degree Loop Pick:**
  - Excellent for removing Orings and seals.
  - Carefully insert the loop under the item and pull gently.
- **180 Degree Hook Pick:**
  - Suitable for retrieving small parts.
  - Ensure that you have a stable grip to prevent accidental slips.

### 3. PostUse:

- Clean tools after each use to remove debris and prevent corrosion.
- Store tools in the provided plastic storage sleeve to protect them from damage.

## Disposal Instructions

- Dispose of tools responsibly according to local regulations.
- Do not throw tools in regular household waste.
- Check with local waste management for proper disposal methods for metal tools.

## Contact Information for Further Support

For any inquiries or concerns regarding safety, please refer to the relevant authorities or consult the EU's Safety Gate platform for updates and information on product recalls.

Thank you for your attention to these safety instructions. Enjoy using your 6 Piece Hook and Pick Set responsibly!
