

GUIDE ROD ASSEMBLY for GLOCK® - LONE WOLF DIST. GUIDE ROD ASSEMBLY, G19/23/32/38

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Stainless Steel Prevents Rod Flex & Spring Bind For More Reliable Cycling

Hardened stainless steel guide rod won't break or flex and bind the spring like the factory plastic rod. Helps prevent cycling problems, improves reliability and overall performance. Features a captured, ISMI chrome silicon flat spring that's heat-treated, shot peened, and calibrated to the factory-spec 17 lb. weight. Steel Allen head screw and washer secure the spring to the rod, yet enable easy disassembly for spring replacement.

Attributes

- Name: [LONE WOLF DIST. GUIDE ROD ASSEMBLY, G19/23/32/38](#)
- Manufacturer: [LONE WOLF DIST.](#)
- Product no.: 100011493

Safety Instruction Guide for GUIDE ROD ASSEMBLY for GLOCK® LONE WOLF DIST.

Introduction

Thank you for choosing the GUIDE ROD ASSEMBLY for GLOCK® LONE WOLF DIST. This guide is designed to provide you with important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with the operation of your GLOCK® firearm before using this guide rod assembly.
- Always treat firearms as if they are loaded. Handle them with care and respect.
- Keep the GUIDE ROD ASSEMBLY out of reach of children and unauthorized users.
- Inspect the product before each use to ensure it is in good condition and free from defects.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with GLOCK® models 19, 23, 32, and 38 as specified.
- Do not attempt to modify or alter the GUIDE ROD ASSEMBLY in any way.
- Only use the product with compatible parts and accessories.
- Ensure that the firearm is unloaded before attempting to install or remove the guide rod assembly.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- If you experience any cycling problems or unusual behavior with your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a steel Allen wrench.

2. Installation:

- Remove the factory plastic guide rod by following your firearm's disassembly instructions.
- Insert the new GUIDE ROD ASSEMBLY into the recoil spring housing.
- Secure the spring to the rod using the steel Allen head screw and washer provided.
- Ensure the assembly is properly seated and free from obstructions.

3. Usage:

- After installation, conduct a function check to ensure proper operation.
- Regularly inspect the guide rod assembly for wear and tear.
- Replace the spring if you notice any signs of damage or if cycling problems occur.

Disposal Instructions

- Dispose of the GUIDE ROD ASSEMBLY in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling materials where possible.

- Do not dispose of the guide rod assembly in regular household waste.

Contact Information for Further Support

For additional support or inquiries regarding the GUIDE ROD ASSEMBLY, please contact the manufacturer or authorized dealer. Ensure you have your product information ready for reference.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
