

# 1911 CARRY GROOVE GRIPS - HARRISON DESIGN & CONSULTING

## CARRY GROOVE GRIPS, GOVT, SLIM

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

### Combines A Secure Grasp With Non-Snag Carry

Durable machined G10 fiberglass grips are almost impervious to solvents, moisture, and expansion/contraction due to temperature extremes. Five, deep, vertical grooves in each panel and fine-line diagonal texturing help you retain a solid grip on the pistol but won't snag like traditional checkering. Still allows a quick shift of grip for reloads, and also easier on clothes and your skin during carry. The "TS" grips feature a thumb scoop on the left hand panel that allows better access to the magazine catch. For shooters with short digits, this thumb scoop will make your magazine changes more certain. The HD-300-TS Carry Groove grips feature a beveled bottom. The HD-300-TS come equipped with the Thumb Scoop to give your thumb easier access to the magazine catch so you don't have to shift the gun in your grip as much during mag changes. The HD-303-TS Carry Groove grips feature a square bottom with no pin notch to match up to add-on mag wells. The HD-303-TS come equipped with the Thumb Scoop to give your thumb easier access to the magazine catch so you don't have to shift the gun in your grip as much during mag changes. HD-300-S-TS Slim Carry Groove Grips are a nominal .180" thick with the new Ambi-Vertable feature. The Ambi-Vertable pocket allows you to use the grips as they come out of the bag on your pistols with a strong-side only safety. If you have an ambi thumb safety, you can easily trim away the back wall with a sharp box cutter, opening the pocket up for your ambi safety. Features Beveled Bottom and exposed pin notch.

### Attributes

# Safety Instruction Guide for 1911 Carry Groove Grips

## Introduction

Thank you for choosing the 1911 Carry Groove Grips by Harrison Design & Consulting. These grips are designed for durability and comfort, enhancing your shooting experience while ensuring safety. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your grips in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the grips.
- Always treat your firearm as if it is loaded, even when you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store grips and firearms out of reach of children and unauthorized users.
- Regularly inspect the grips for wear and damage. Replace if necessary.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- **Installation Precautions:**

- Use appropriate tools to install grips to prevent damage.
- Ensure all screws are tightened securely to avoid any loosening during use.

- **Handling Precautions:**

- Avoid touching the trigger until you are ready to shoot.
- Maintain a proper grip on the firearm to prevent slippage.

- **Usage Precautions:**

- Be aware of your surroundings and ensure a safe shooting environment.
- Wear appropriate eye and ear protection while shooting.

- **Maintenance Precautions:**

- Clean grips with a soft cloth and avoid harsh chemicals that may damage the material.
- Store grips in a dry place to prevent moisture-related damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing grips by unscrewing the screws with a suitable screwdriver.
- Align the new Carry Groove Grips with the mounting holes on the firearm.
- Securely fasten the screws, ensuring not to overtighten, which may cause damage to the grips or firearm.

### 2. Usage:

- Grip the firearm firmly, utilizing the grooves for enhanced control.
- Utilize the thumb scoop feature for easier access to the magazine catch.
- Practice magazine changes to become familiar with the grip's functionality.

### **3. PostUsage:**

- After use, inspect the grips for any signs of wear or damage.
- Clean the grips as necessary and store the firearm securely.

## **Disposal Instructions**

- Dispose of any damaged or worn grips in accordance with local regulations.
- If the grips are beyond repair, consider recycling them if possible, or dispose of them in a safe manner to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or issues regarding your 1911 Carry Groove Grips, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety instructions. Your safety and the safety of others are paramount. Enjoy your shooting experience with confidence!
