

# AK47/AKM OPTIC MOUNT SYSTEM - RS REGULATE AKOG ACOG/BCO MOUNT UPPER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Updated design allows for customization of the mounting platform. Option of three different lower mounts, with a full length lower rail, forward rail and rear rail. Placement of lower rail allows for optics to be positioned in the ideal location front to back, as well as right to left. Lightweight CNC machined aircraft grade 6061 T6 aluminum. Position optics in co-witness location. Allows field stripping of the rifle without removal of the optic on most AK variants. Redesigned thumb lever lock retains zero even after repeated optic removal and reinstallation. Ability to stake position for extreme duty. AKML allows the mounting of the Aimpoint T-1 and H-1 Micro Red Dot Optics AKOG allows the mounting of Trijicon ACOG sight systems

## Attributes

- Name: [RS REGULATE AKOG ACOG/BCO MOUNT UPPER MOUNT](#)
- Manufacturer: [RS REGULATE](#)
- Product no.: 100011561
- Mfr. No.: AKOG
- Colour: Black
- Finish: Matte Black
- Material: -
- Number of Bases: 1-Piece
- Scope Tube Diameter: -
- Style: Quick Detach, Tactical Bases
- Weapon type: AK-47
- Delivery weight: 0.045kg
- Shipping height: 58mm
- Shipping width: 86mm
- Shipping length: 119mm
- UPC: 617395300488

# AK47/AKM Optic Mount System Safety Instruction Guide

## Introduction

Thank you for choosing the AK47/AKM Optic Mount System RS Regulate AKOG ACOG/BCO Mount Upper Mount. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use to minimize risks and enhance your experience with the product.

## General Safety Guidelines

- Ensure that the product is installed and used according to the instructions provided in this manual.
- Always inspect the optic mount for any signs of damage or wear before each use.
- Keep this product out of reach of children and vulnerable individuals.
- Avoid using the product in extreme environmental conditions unless specified by the manufacturer.
- Do not modify or alter the optic mount in any way, as this may compromise safety and functionality.
- Regularly check for any recalls or safety updates related to this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the optic mount.
- Use only compatible optics as specified in the product description (e.g., Aimpoint T1, H1 Micro Red Dot Optics, Trijicon ACOG).
- When mounting optics, ensure that the lower rail is positioned correctly to avoid misalignment.
- Do not attempt to remove or reinstall the optic while the rifle is loaded.
- Always secure the thumb lever lock to retain zero after optic removal and reinstallation.
- Stake the position of the mount for extreme duty to ensure stability during use.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation

- Ensure the rifle is unloaded.
- Gather all necessary tools for installation.

#### 2. Mounting the Optic

- Select the appropriate lower mount based on your preference (full length lower rail, forward rail, or rear rail).
- Align the optic with the chosen lower rail and securely attach using the provided hardware.
- Adjust the positioning of the optic to achieve the desired cowitness location.

#### 3. Securing the Mount

- Tighten the thumb lever lock to secure the optic in place.
- Ensure that the optic retains zero by performing a function check.

#### 4. Final Check

- Inspect the installation for stability and ensure all components are securely fastened.
- Conduct a test to confirm that the optic functions correctly without obstruction.

## **Usage Guidelines**

- Use the optic mount only with compatible AK and AKM rifles equipped with a receiver side mount base dovetail.
- Regularly check the stability of the optic during use, especially after repeated removals and installations.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and metal components.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, as it is made from 6061 T6 aluminum.

## **Contact Information for Further Support**

For questions or concerns regarding the safety and operation of the AK47/AKM Optic Mount System, please refer to the manufacturer's contact details provided in the product packaging or visit the official website. Remember to check for updates and safety information regularly.

This safety instruction guide is designed to ensure the safe and effective use of the AK47/AKM Optic Mount System. By following these guidelines, you help promote a safer environment for yourself and others. Thank you for your attention to safety.
