

AR-15 MOE STOCK FIXED MIL-SPEC - MAGPUL MOE FIXED MIL-SPEC CARBINE STOCK FOR AR-15 FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MOE Fixed Carbine Stock provides a fixed, non-collapsing stock option for carbine length buffer tubes. The MOE Fixed Carbine Stock has a slim profile, improved cheek weld, and multiple sling attachment options, and is compatible with the ASAP Plate and PRS Extended Rubber Butt Pad. Installation is non-armorer and does not require the castle nut or lock plate to be removed. Uses the Magpul Type 1 QD Sling Mount.

Safety Instruction Guide for AR15 MOE Fixed MilSpec Carbine Stock

Introduction

Thank you for choosing the AR15 MOE Fixed MilSpec Carbine Stock by Magpul. This guide provides essential safety instructions and information to ensure the safe and effective use of your new product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Do not modify the stock or any components. Modifications can compromise safety and performance.
- Keep the stock and all firearm components clean and free from debris to prevent malfunctions.
- Store the firearm in a secure location, out of reach of children and unauthorized persons.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the stock is properly installed before use.
- Regularly inspect the stock for any signs of wear or damage. Do not use if damaged.
- Use only compatible buffer tubes as specified in the product specifications.
- Always use a sling when carrying the firearm, especially in dynamic environments.
- If using the sling attachment points, ensure they are secure and correctly positioned.
- Avoid exposing the stock to extreme temperatures or harsh chemicals that may degrade the material.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded.
- Remove the existing stock if applicable, following the manufacturer's instructions.
- Align the MOE Fixed Carbine Stock with the buffer tube.
- Slide the stock onto the buffer tube until it is fully seated.
- Secure the stock in place according to the manufacturer's specifications without removing the castle nut or lock plate.
- Attach the sling using the Magpul Type 1 QD Sling Mount if desired.

2. Usage Steps:

- Adjust your shooting position to ensure a proper cheek weld on the stock.
- Confirm that the stock is securely attached before firing.
- Always follow basic firearm safety rules when handling and firing the weapon.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding polymer materials.
- If the stock is damaged beyond repair, consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the AR15 MOE Fixed MilSpec Carbine Stock, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AR15 MOE Fixed MilSpec Carbine Stock. Thank you for your attention to safety!
