# SGA® Ambidextrous Buttstock for Mossberg® 500/590 Safety Instruction Guide

## Introduction

Thank you for choosing the SGA® Ambidextrous Buttstock for Mossberg® 500/590. This product is designed to enhance the functionality of your Mossberg shotgun while ensuring safety and comfort during use. It is essential to follow the safety guidelines and instructions outlined in this guide to ensure safe and effective usage.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the buttstock for wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all manufacturer instructions for the firearm and accessories.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the buttstock is securely attached to the firearm before use.
- Do not exceed the recommended length of pull adjustments.
- When using with optics or raised sights, ensure that the cheek risers are properly installed.
- Use the recoilreducing buttpad as intended to minimize discomfort during firing.
- Always use the sling loops in accordance with the manufacturer's guidelines.
- If you experience any malfunctions during use, cease operation immediately and inspect the firearm and accessories.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare the Firearm

- Ensure the firearm is unloaded and safe.
- Remove the existing buttstock if applicable.

#### 2. Attach the SGA Buttstock

- Align the SGA buttstock with the receiver of the Mossberg shotgun.
- Securely fasten the buttstock using the provided screws and tools, ensuring it is tightened to prevent movement.

#### 3. Adjust Length of Pull

- Use the spacer system to adjust the length of pull as needed.
- Each spacer allows for adjustment in 1/2" increments from 12.5" to 14.5".
- Ensure the adjustment is secure before use.

#### 4. Install Optional Cheek Risers (if applicable)

- If using optics or raised sights, attach the cheek risers according to the manufacturer's instructions.

## **Usage Instructions**

- Always check that the buttstock is securely attached before each use.
- When aiming, ensure that your grip is firm and that the firearm is stable.
- Utilize the recoilreducing buttpad to enhance comfort during firing.
- Follow all safety protocols for shooting, including proper stance and handling.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Ensure that any components do not pose a risk to others during disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service.

Thank you for prioritizing safety and responsible use of your SGA® Ambidextrous Buttstock for Mossberg® 500/590. Enjoy your shooting experience while adhering to these guidelines for optimal safety.
