SGA® Ambidextrous Buttstock for Mossberg® 500/590 Safety Instruction Guide

Introduction

Thank you for choosing the SGA® Ambidextrous Buttstock for Mossberg® 500/590. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your buttstock. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific Mossberg model (500/590/590A1).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the buttstock and shotgun before each use for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- Do not modify the buttstock in any way that could compromise its safety or functionality.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the shotgun is unloaded before installing or adjusting the buttstock.
- Follow the manufacturer's guidelines for length of pull adjustments to avoid injury.
- Be aware of the weight of the shotgun with the installed buttstock and adjust your handling accordingly.
- Use the buttstock only as intended; do not use it for any other purpose.

Instructions for Installation and Usage

Installation

1. **Unloading the Shotgun:** Ensure that the shotgun is completely unloaded and the chamber is empty.
2. **Removing the Existing Buttstock:**
 - Use a screwdriver or appropriate tool to remove the existing buttstock from the shotgun.
 - Keep all screws and components for potential future use.
3. **Attaching the SGA Buttstock:**
 - Align the SGA buttstock with the shotgun's receiver.
 - Secure the buttstock using the screws provided in the package.
 - Ensure that the buttstock is firmly attached and does not move.

Adjusting Length of Pull

- The SGA buttstock features a spacer system that allows for length of pull adjustments in 1/2" increments.
- To adjust the length of pull:
 1. Remove the buttstock by unscrewing it from the stock.
 2. Add or remove spacers as needed to achieve the desired length.
 3. Reattach the buttstock securely.

Using the Buttstock

- Ensure that the buttstock is properly adjusted before use.
- When aiming and firing, maintain a firm grip on the shotgun to ensure stability.
- Utilize the recoil-reducing buttstock feature for improved comfort during use.

Disposal Instructions

- Dispose of the SGA buttstock in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's website or contact your local retailer.

By following these guidelines and instructions, you can ensure the safe and effective use of your SGA® Ambidextrous Buttstock for Mossberg® 500/590. Thank you for your attention to safety.
