SGA® Ambidextrous Buttstock for Mossberg® 500/590 Safety Instructions

Introduction

Thank you for choosing the SGA® Ambidextrous Buttstock for Mossberg® 500/590. This product is designed to enhance the functionality of your shotgun while ensuring user safety. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of your new buttstock.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the buttstock is securely attached before using the firearm.
- Regularly inspect the buttstock for any signs of wear or damage.
- Never use the buttstock with a firearm that it is not designed for.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before installing or adjusting the buttstock.
- Do not exceed the recommended length of pull adjustments.
- Use the recoilreducing buttpad as intended to minimize recoil impact.
- Be cautious when using optics or raised sights; ensure proper alignment and stability.
- Avoid using the buttstock in extreme conditions (e.g., extreme heat, cold, or moisture) that may affect performance.
- Always wear appropriate eye and ear protection when using the firearm.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Ensure the shotgun is unloaded and safe to handle.
2. **Remove Existing Buttstock:**
 - Use a suitable tool to remove the existing buttstock from the shotgun.
 - Follow the manufacturer's instructions for your specific shotgun model.
3. **Attach SGA Buttstock:**
 - Align the SGA buttstock with the shotgun's receiver.
 - Securely fasten the buttstock using the provided hardware.
4. **Adjust Length of Pull:**
 - Use the spacer system to adjust the length of pull.
 - Adjust in 1/2" increments to suit your comfort and shooting style.
5. **Check Installation:**
 - Ensure all screws and attachments are tight and secure.
 - Inspect the buttstock for proper alignment and stability.

Usage Instructions

- When using the shotgun equipped with the SGA buttstock, maintain a firm grip and proper stance.
- Adjust the cheek riser if necessary for optimal sight alignment when using optics.
- Regularly check the buttstock for any signs of loosening or wear during use.
- If any issues arise, cease use immediately and inspect the buttstock.

Disposal Instructions

- Dispose of the SGA buttstock in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is not usable before disposal.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or further support regarding the SGA® Ambidextrous Buttstock for Mossberg® 500/590, please refer to the official Magpul website or contact the retailer from which the product was purchased.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SGA® Ambidextrous Buttstock for Mossberg® 500/590. Thank you for prioritizing safety in your firearm usage.
