

AR-15 MOE K2 GRIP - MAGPUL MOE-K2 GRIP POLYMER FOR AR-15/M4 FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The MOE-K2 is a drop in upgrade for AR15/M4 pistol grips with a more vertical grip angle optimized for short LOP weapons, such as PDW (Personal Defense Weapons) configurations. It has an aggressive texture for positive weapon control and is compatible with Magpul Grip Cores for storage customization. This grip will function properly with 7.62 NATO AR10/SR25 style of rifles but, depending on the make of the rifle, may or may not leave a gap between the 'beaver tail' and the receiver. This gap is purely aesthetic and will not affect function.

Attributes

- Name: [MAGPUL MOE-K2 GRIP POLYMER FOR AR-15/M4 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100011680

Safety Instruction Guide for AR15 MOE K2 Grip

Introduction

Thank you for choosing the AR15 MOE K2 Grip by MAGPUL. This grip is designed to enhance your shooting experience by providing a more vertical grip angle and improved weapon control. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded when installing or adjusting the grip.
- Use the grip only for its intended purpose with compatible firearms.
- Keep the grip and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the grip is securely attached before using the firearm.
- Be aware of the potential gap between the grip and the receiver, which may be purely aesthetic but should be monitored.
- Avoid using the grip if it shows any signs of damage or if it does not fit securely on the firearm.
- When using the firearm, maintain a firm grip to prevent slippage.
- Always follow the manufacturer's guidelines for the specific firearm model.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Grip:** If applicable, remove the existing grip by unscrewing it from the firearm.
3. **Align the MOEK2 Grip:** Position the MOEK2 grip onto the firearm's grip mount, ensuring proper alignment.
4. **Secure the Grip:** Use the provided screws to securely attach the grip to the firearm. Ensure it is tight but do not overtighten.
5. **Check Fit:** Inspect the grip for any gaps between the 'beaver tail' and the receiver. This gap is aesthetic and does not affect functionality.
6. **Final Inspection:** Verify that the grip is firmly attached and there is no movement.

Usage

- Hold the grip firmly while aiming and shooting for optimal control.
- Adjust your grip as necessary to maintain comfort and control during use.
- Always keep the firearm pointed in a safe direction when not in use.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and polymer materials.
- Do not incinerate or expose the grip to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE K2 Grip, please refer to the manufacturer's official website or customer service channels for assistance.
