

AR-15 MOE K2 GRIP - MAGPUL MOE-K2 GRIP POLYMER FOR AR-15/M4 STEALTH GRAY

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The MOE-K2 is a drop in upgrade for AR15/M4 pistol grips with a more vertical grip angle optimized for short LOP weapons, such as PDW (Personal Defense Weapons) configurations. It has an aggressive texture for positive weapon control and is compatible with Magpul Grip Cores for storage customization. This grip will function properly with 7.62 NATO AR10/SR25 style of rifles but, depending on the make of the rifle, may or may not leave a gap between the 'beaver tail' and the receiver. This gap is purely aesthetic and will not affect function.

Attributes

- Name: [MAGPUL MOE-K2 GRIP POLYMER FOR AR-15/M4 STEALTH GRAY](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100011682

AR15 MOE K2 Grip Safety Instruction Guide

Introduction

Thank you for choosing the AR15 MOE K2 Grip by Magpul. This guide provides essential safety instructions and guidelines for the proper use and installation of your grip. Following these instructions will help ensure safe operation and enhance your shooting experience.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure that your firearm is stored securely and out of reach of unauthorized users, especially children.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Use only compatible components and accessories with your firearm.
- Follow all local laws and regulations regarding firearm usage and accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the grip is securely attached before use to prevent it from coming loose during operation.
- Be aware of the grip's texture; it is designed for enhanced control but may cause discomfort if used for extended periods without gloves.
- If using the grip with a firearm chambered in 7.62 NATO, check for any gaps between the grip and the receiver, as this may vary by manufacturer.
- Always check the compatibility of the grip with your specific firearm model before installation.
- Do not modify the grip or firearm in a way that could compromise safety or functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip by unscrewing the grip screw using the appropriate tool.
- Align the MOEK2 Grip with the grip mounting area on the firearm.
- Secure the grip by tightening the grip screw until snug. Do not overtighten, as this may damage the grip or firearm.
- Verify that the grip is firmly attached and does not move or wobble.

2. Usage:

- Grip the MOEK2 firmly, ensuring your fingers are positioned correctly for optimal control.
- Maintain awareness of your surroundings and follow all firearm safety rules while using your firearm.
- If you experience any discomfort or issues while using the grip, stop use immediately and consult a professional.

Disposal Instructions

- Dispose of the grip responsibly in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling the polymer material if facilities are available in your area.

Contact Information for Further Support

- For any safety inquiries or to report unsafe products, please contact your local authority or consult relevant consumer safety resources in your area.

By following these safety instructions and guidelines, you can ensure a safer and more enjoyable experience with your AR15 MOE K2 Grip. Thank you for your attention to safety.
