

# AK47/AKM OPTIC MOUNT SYSTEM - RS REGULATE AKR PICATINNY MOUNT UPPER RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Updated design allows for customization of the mounting platform. Option of three different lower mounts, with a full length lower rail, forward rail and rear rail. Placement of lower rail allows for optics to be positioned in the ideal location front to back, as well as right to left. Lightweight CNC machined aircraft grade 6061 T6 aluminum. Position optics in co-witness location. Allows field stripping of the rifle without removal of the optic on most AK variants. Redesigned thumb lever lock retains zero even after repeated optic removal and reinstallation. Ability to stake position for extreme duty. AKML allows the mounting of the Aimpoint T-1 and H-1 Micro Red Dot Optics AKOG allows the mounting of Trijicon ACOG sight systems

## Attributes

- Name: [RS REGULATE AKR PICATINNY MOUNT UPPER RAIL](#)
- Manufacturer: [RS REGULATE](#)
- Product no.: 100011749
- Mfr. No.: AKR
- Colour: Black
- Finish: -
- Material: Aluminum
- Number of Bases: 1-Piece
- Scope Tube Diameter: -
- Style: Quick Detach,Weaver-Style Bases,Picatinny
- Weapon type: AK-47
- Delivery weight: 0.227kg
- Shipping height: 61mm
- Shipping width: 112mm
- Shipping length: 196mm
- UPC: 617395300532

# Safety Instruction Guide for AK47/AKM Optic Mount System RS Regulate AKR Picatinny Mount Upper Rail

## Introduction

Thank you for purchasing the AK47/AKM Optic Mount System RS Regulate AKR Picatinny Mount Upper Rail. This guide provides essential safety instructions, installation guidelines, and maintenance tips to ensure your product is used safely and effectively. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the optic mount system by following these guidelines.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety standards.
- **Consumer Focus:** Extra caution should be taken when using this product around children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to a local EU contact.
- **Rapid Alerts:** Be aware of rapid alerts regarding product safety through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before installation and use.
- **Inspect Before Use:** Check the optic mount for any damage or defects before each use.
- **Proper Fit:** Ensure that the mount fits securely on your firearm. Do not use if it is loose or unstable.
- **Avoid OverTorquing:** When installing, do not overtighten screws, as this may damage the mount or the firearm.
- **Use Compatible Optics:** Only use optics that are compatible with the AK47/AKM mount system.
- **Regular Maintenance:** Regularly check the mount for wear and tear and perform maintenance as needed.
- **Store Safely:** When not in use, store the optic mount in a safe and dry place away from children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools required for installation.

### 2. Installation:

- Remove any existing mounts or optics from the firearm.
- Align the AKR Picatinny mount with the receiver side mount base dovetail.
- Secure the mount using the provided screws and tighten them gently to avoid overtorquing.
- Attach your chosen optic (Aimpoint T1, H1, or Trijicon ACOG) to the mount, ensuring it is properly seated.

### 3. Positioning the Optic:

- Adjust the position of the optic to achieve the desired cowitness location.
- Ensure the optic is securely mounted and does not obstruct the view.

#### 4. **Field Stripping:**

- Familiarize yourself with the field stripping process of your firearm.
- The optic mount allows for field stripping without removing the optic on most AK variants.

#### 5. **Final Check:**

- After installation, conduct a function check to ensure everything is working correctly.
- Confirm that the mount retains zero after repeated optic removal and reinstallation.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the optic mount responsibly. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the aluminum components according to local regulations.
- **Hazardous Materials:** Ensure that any coatings or materials are disposed of in accordance with local hazardous waste guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the AK47/AKM Optic Mount System, please reach out to your local authorized dealer or manufacturer's representative for assistance.
