

PICATINNY COBRA TACTICAL FOREGRIP - STRIKE INDUSTRIES

PICATINNY COBRA TACTICAL FOREGRIP POLYMER FLAT DARK EARTH

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Low-Profile, Ergonomically-Enhanced Grip Increases Weapon Control

Developed with input from combat veterans, this lightweight, low-profile grip helps the operator maintain greater control of the rifle regardless of firing position. Helps the shooter achieve a comfortable grip, with a natural placement of the fingers, a pronounced hand stop at the rear, and an anti-slip textured surface that keeps the hand in place, even when wet. The ridged front face lets the shooter brace the rifle against barricades, ledges, or other available support surfaces, creating a dependable shooting platform without worrying about slippage. Mounts easily and securely to Picatinny handguard rail with a super-stable, wobble-free, friction lock. Minimal bulk: extends only 1" below handguard. Molded hard polymer construction delivers strength without a weight penalty.

Safety Instruction Guide for PICATINNY COBRA TACTICAL FOREGRIP

Introduction

Thank you for choosing the PICATINNY COBRA TACTICAL FOREGRIP by STRIKE INDUSTRIES. This lightweight and lowprofile grip is designed to enhance your control over your rifle in various firing positions. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws.
- Ensure the firearm is unloaded before attaching or adjusting the foregrip.
- Regularly inspect the foregrip for any signs of wear or damage.
- Use the foregrip only with compatible Picatinny handguard rails.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for attachments on the foregrip.
- Avoid using the foregrip in wet or slippery conditions without proper grip techniques.
- Ensure your fingers are clear of the action before firing to prevent injury.
- Be aware of your surroundings and ensure a clear line of sight when aiming and firing.
- If you experience any discomfort or difficulty using the foregrip, discontinue use immediately.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Mounting the Foregrip:

- Align the foregrip with the Picatinny rail on your rifle.
- Slide the foregrip onto the rail until it is securely in place.
- Use the friction lock to ensure a stable and wobblefree attachment.
- Confirm that the foregrip does not obstruct any controls or sight lines.

Usage

- Grip the foregrip firmly with your dominant hand to maintain control.
- Position your fingers naturally on the grip to enhance comfort and stability.
- Use the pronounced hand stop at the rear to prevent your hand from slipping during use.
- When resting the rifle against barricades or ledges, ensure the foregrip is securely positioned to avoid slippage.

Disposal Instructions

- Dispose of the foregrip in accordance with local regulations regarding plastic waste.
- If the foregrip is damaged or no longer usable, consider recycling it if possible.

- Do not dispose of the foregrip in fire, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or additional support regarding the PICATINNY COBRA TACTICAL FOREGRIP, please refer to the manufacturer's contact details provided with your product packaging.

Please remember that your safety is paramount. Always follow these guidelines to ensure a safe and enjoyable experience with your PICATINNY COBRA TACTICAL FOREGRIP.
