

# ACCU/LEVEL FIXED SCOPE LEVELS - FLATLINE OPS RECON 1" SCOPE LEVEL

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Accu/Level Scope level attaches to the scope tube to give the shooter a visual verification that the rifle is dead level before each shot. This helps eliminate inconsistent grouping that results from inadvertently canting the gun. This normally isn't noticeable at shorter ranges, but can have a significant negative effect on group sizes at long range. The Fixed Accu/Level is designed to be aligned with the gun during installation. Works for both right-and-left-handed shooters.

## Attributes

- Name: [FLATLINE OPS RECON 1" SCOPE LEVEL](#)
- Manufacturer: [FLATLINE OPS](#)
- Product no.: 100011952
- Mfr. No.: 35010RCN
- Finish: Black
- Tube Size: 1"
- Delivery weight: 0.045kg
- Shipping height: 25mm
- Shipping width: 74mm
- Shipping length: 102mm
- UPC: 850020891108

# Safety Instruction Guide for ACCU/LEVEL Fixed Scope Levels

## Introduction

Thank you for choosing the ACCU/LEVEL Fixed Scope Levels by FLATLINE OPS. This guide provides essential safety information to ensure the safe and effective use of your scope level. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the ACCU/LEVEL by following all instructions and guidelines.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with your product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Overtightening:** Do not overtighten the scope level during installation, as this may damage the device or the scope.
- **Check Level Before Each Use:** Always verify that the scope level is functioning correctly before each shooting session.
- **Maintain Visibility:** Ensure the scope level is visible and unobstructed during use.
- **Use in Appropriate Conditions:** Avoid using the scope level in extreme weather conditions that may impair its functionality.
- **Inspect Regularly:** Periodically check the scope level for any signs of wear or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Locate the scope tube on your rifle.
- Align the ACCU/LEVEL with the scope tube, ensuring it is level.
- Secure the scope level to the tube using the provided mounting hardware, taking care not to overtighten.
- Doublecheck the alignment of the level before proceeding.

### 2. Usage:

- Before taking a shot, look at the ACCU/LEVEL to confirm that the rifle is level.
- Make adjustments to your position if necessary to ensure the rifle remains level.
- After shooting, inspect the level to ensure it remains securely attached and functional.

## Disposal Instructions

- Dispose of the ACCU/LEVEL in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste.
- Check with local authorities for designated disposal facilities.

## **Contact Information for Further Support**

For any further support or inquiries regarding the ACCU/LEVEL Fixed Scope Levels, please refer to the contact information provided with your product or on the manufacturer's website.

Thank you for prioritizing safety and following these guidelines. Enjoy your shooting experience with the ACCU/LEVEL Fixed Scope Levels!
