

# ACCU/LEVEL FIXED SCOPE LEVELS - FLATLINE OPS RECON 30MM SCOPE LEVEL

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Accu/Level Scope level attaches to the scope tube to give the shooter a visual verification that the rifle is dead level before each shot. This helps eliminate inconsistent grouping that results from inadvertently canting the gun. This normally isn't noticeable at shorter ranges, but can have a significant negative effect on group sizes at long range. The Fixed Accu/Level is designed to be aligned with the gun during installation. Works for both right- and left-handed shooters.

## Attributes

- Name: [FLATLINE OPS RECON 30MM SCOPE LEVEL](#)
- Manufacturer: [FLATLINE OPS](#)
- Product no.: 100011953
- Mfr. No.: 35030-RCN
- Finish: Black
- Tube Size: 30mm
- Delivery weight: 0.041kg
- Shipping height: 1mm
- Shipping width: 102mm
- Shipping length: 178mm

# ACCU/LEVEL FIXED SCOPE LEVELS FLATLINE OPS RECON 30MM SCOPE LEVEL Safety Instruction Guide

## Introduction

Thank you for purchasing the Accu/Level Fixed Scope Levels from Flatline Ops. This guide provides essential safety instructions to ensure the safe use of your scope level. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the scope level is compatible with your firearm and scope tube.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the scope level out of reach of children and vulnerable individuals.
- Regularly inspect the scope level for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always confirm that your firearm is unloaded before attaching or adjusting the scope level.
- Ensure that the scope level is securely attached to the scope tube to prevent it from coming loose during use.
- Avoid using the scope level in extreme weather conditions that may affect its performance.
- Do not modify the scope level or use it for any purpose other than its intended use.
- If you notice any irregularities in the scope level's functionality, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Locate the scope tube where the scope level will be attached.
- Align the Fixed Accu/Level with the scope tube, ensuring it is level.
- Securely attach the scope level using the provided mounting hardware, following the manufacturer's instructions.
- Doublecheck that the scope level is firmly in place before proceeding.

### 2. Usage:

- Before taking a shot, visually verify that the rifle is level using the scope level.
- If the scope level indicates that the rifle is not level, adjust your position or the firearm accordingly.
- Regularly check the alignment of the scope level during use, especially after moving or adjusting your shooting position.

## Disposal Instructions

- Dispose of the scope level in accordance with local regulations.
- Do not dispose of the scope level in household waste if it contains electronic components.
- Consider recycling options for materials whenever possible.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the Accu/Level Fixed Scope Levels, please consult the manufacturer's website or customer service resources.

Thank you for prioritizing safety while using your Accu/Level Fixed Scope Levels. Enjoy your shooting experience!
