LOCKNLOAD CASE PREP CHAMFERS LARGE CALIBER CHAMFER FOR 30 TO 50 CAL Safety Instruction Guide

Introduction

Thank you for choosing the LOCKNLOAD CASE PREP CHAMFERS LARGE CALIBER CHAMFER FOR 30 TO 50 CAL. This product is designed to enhance your Hornady LockNLoad Case Prep Unit. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure that the product is used in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the chamfer tool only for its intended purpose, which is to chamfer case mouths for reloading ammunition.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Ensure that the LockNLoad Case Prep Unit is switched off and unplugged before installing or removing the chamfer tool.
- Do not force the tool or use excessive pressure during operation to avoid injury or damage to the product.
- Keep hands and other body parts away from moving parts during operation.
- If you experience any difficulty while using the product, stop and consult the troubleshooting section of the manual.

Instructions for Installation and Usage

1. Installation:

- Ensure the LockNLoad Case Prep Unit is unplugged.
- Locate the 832 threaded hole on the LockNLoad Case Prep Trio.
- Carefully screw the chamfer tool into the threaded hole until secure, ensuring it is properly aligned.
- Doublecheck that the tool is firmly attached before proceeding.

2. Usage:

- Plug in the LockNLoad Case Prep Unit and turn it on.
- Place the case mouth against the chamfer tool gently.
- Allow the tool to chamfer the case mouth without applying excessive pressure.
- Inspect the chamfered edge for uniformity and quality.
- Once finished, turn off the unit and unplug it before removing the chamfer tool.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods for tools and equipment.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with the product packaging. Ensure you have your product details ready for a more efficient response.

Thank you for prioritizing safety while using the LOCKNLOAD CASE PREP CHAMFERS LARGE CALIBER CHAMFER FOR 30 TO 50 CAL. Your adherence to these guidelines contributes to a safe and enjoyable experience.
