# Safety Instruction Guide for LEG EXTENSIONS ACCUSHOT 3" LEG EXTENSIONS

## Introduction

Thank you for choosing the LEG EXTENSIONS ACCUSHOT 3" LEG EXTENSIONS. This product is designed to enhance the functionality of your Atlas Bipod by providing an additional 3 inches of elevation. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the leg extensions are compatible with your specific model of Atlas Bipod (V8, PSR, or CAL) before use.
- Regularly inspect the leg extensions for any signs of wear or damage before each use.
- Keep the product out of reach of children to prevent accidents.
- Do not exceed the manufacturer's recommended weight limit for the bipod when using the leg extensions.
- Always use the product in accordance with the manufacturer's instructions to avoid potential hazards.

## Specific Safety Precautions for Use

- When attaching the leg extensions, ensure that the stainless steel plunger is fully engaged to prevent accidental detachment.
- Avoid using the bipod on unstable or uneven surfaces, as this may lead to tipping or falling.
- Be cautious when adjusting the height of the bipod with the leg extensions, as sudden movements may cause loss of balance.
- If you notice any unusual sounds or instability while using the bipod with leg extensions, discontinue use immediately and inspect the product.
- Do not modify or alter the leg extensions in any way, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the bipod is in a stable position before beginning installation.
- Locate the stainless steel plunger on the leg of the bipod.
- Press the plunger to release the existing legs and remove them from the bipod.
- Align the leg extensions with the bipod attachment points and push them into place until you hear a click, indicating they are securely attached.
- Doublecheck that the leg extensions are locked in place before using the bipod.

### 2. Usage:

- Set up the bipod on a flat, stable surface.
- Adjust the height of the bipod as needed, ensuring that the weight is evenly distributed.
- Use the bipod for its intended purpose only, avoiding any misuse that could lead to accidents.
- After use, carefully remove the leg extensions by pressing the plunger and sliding them out of the bipod.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and plastic waste.
- Do not dispose of the product in regular household waste.

- Consider recycling the materials if possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the LEG EXTENSIONS ACCUSHOT 3" LEG EXTENSIONS, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your LEG EXTENSIONS ACCUSHOT 3" LEG EXTENSIONS responsibly!
