Safety Instruction Guide for B32 ATLAS STANDARD RUBBER FEET

Introduction

Thank you for choosing the B32 Atlas Standard Rubber Feet for your V8, PSR, or CA model Atlas Bipods. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a bipod accessory.
- Always inspect the rubber feet before each use for any signs of wear or damage.
- Do not use the product if it is damaged or has missing parts.
- Keep the product out of reach of children to prevent accidents.
- Use the product in a safe environment, away from hazards such as water, fire, or extreme temperatures.
- Report any unsafe conditions or product issues to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the bipod is securely attached to your firearm before use.
- Avoid using the bipod on unstable surfaces that may cause it to tip over.
- Do not exceed the weight limit specified for your bipod model.
- Be cautious when adjusting the bipod to avoid pinching fingers or other body parts.
- Store the product in a cool, dry place when not in use to maintain its integrity.

Instructions for Installation and Usage

1. Installation:

- Remove the existing feet from your Atlas Bipod if applicable.
- Align the stainless steel plunger on the rubber feet with the attachment point on the bipod.
- Press the plunger down firmly to secure the rubber feet in place until you hear a click.
- Ensure the feet are securely attached before using the bipod.

2. Usage:

- Position the bipod on a stable surface.
- Adjust the height and angle of the bipod as needed for your shooting position.
- After use, remove the rubber feet if necessary and store them properly.

Disposal Instructions

- Dispose of the product in accordance with local regulations for rubber and plastic waste.
- Do not dispose of the product in household waste.
- Consider recycling options available in your area to minimize environmental impact.
