GUN BOSS AR15 CLEANING KIT Safety Instructions

Introduction

Thank you for choosing the GUN BOSS AR15 CLEANING KIT by REAL AVID. This cleaning kit is designed to help you maintain the accuracy and reliability of your AR15 firearm. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before cleaning.
- Keep the cleaning kit out of reach of children and unauthorized users.
- Use the cleaning kit in a wellventilated area to avoid inhaling any cleaning agents or debris.
- Wear safety glasses to protect your eyes from potential splashes or debris during cleaning.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Ensure that the chamber is empty before using any cleaning tools.
- Avoid using excessive force when cleaning to prevent damage to your firearm or the cleaning tools.
- Do not use the cleaning kit for any purpose other than its intended use.
- Inspect all tools and components before use. Discard any damaged parts immediately.
- Store the cleaning kit in a dry place to prevent rust and corrosion of the tools.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your AR15 is unloaded and pointed in a safe direction.
- Gather all components of the cleaning kit in a welllit area.

2. Using the Cleaning Tools:

- **Bore Brush:** Attach the 5.56/.223 brass brush to the aluminum rod section. Insert it into the bore and pull it through from the chamber to the muzzle. Repeat as necessary.
- **Chamber Brush:** Use the chamber brush to clean the chamber area. Insert it carefully and rotate to remove any debris.
- **Cleaning Picks:** Use the straight and angled picks to reach tight areas and remove fouling.
- **Bore Light/Pins:** Use the bore illuminator to inspect the bore for cleanliness. The same tool can be used to push out takedown pins.
- **Patches:** Attach a slotted tip to the rod, insert a cleaning patch, and run it through the bore to remove any remaining residue.
- **Bolt Carrier Brush:** Clean the bolt carrier group using the designated brush for thorough maintenance.

3. PostCleaning:

- Wipe down all tools and components with a clean cloth to remove any cleaning agents.
- Store all tools back in the EVA molded case to keep them organized and secure.

Disposal Instructions

- Dispose of any used cleaning patches and materials in accordance with local regulations.
- Do not dispose of cleaning agents or chemicals down the drain. Follow the disposal instructions on the product labels.
- Recycle the packaging materials where possible.

Contact Information for Further Support

For safety inquiries or further support regarding the GUN BOSS AR15 CLEANING KIT, please refer to the contact information provided with the product or visit the manufacturer's website.

By following these safety instructions, you can ensure that your GUN BOSS AR15 CLEANING KIT is used safely and effectively. Regular maintenance of your firearm is essential for its performance and longevity. Thank you for your attention to safety.
