

# RIFLE SLING SWIVEL SETS - GROVTEC US 1-1/4" WOOD SCREW SET

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Rifle Swivel Sets](#)

## Dependable, All Steel With Quick Release System

All-steel swivels are made in the U.S.A. and contain no plastic parts to crack and fail when you least expect it. Quick-detach feature allows you to use one sling for several rifles. Swivel attaches to mounting stud and locks down with knurled cylinder nut to prevent accidental opening. Available for 1" or 1¼" wide slings. Swivels are available in pairs with or without mounting studs. Model GTSW-23 uses a wood screw front stud, all other sets use a front stud with machine screw and nut or specific hardware for attaching to a magazine tube or barrel.

# RIFLE SLING SWIVEL SETS GROVTEC US 11/4" WOOD SCREW SET Safety Instructions

## Introduction

Thank you for choosing the RIFLE SLING SWIVEL SETS GROVTEC US 11/4" WOOD SCREW SET. This product is designed for safe and effective use. Please read this safety instruction guide thoroughly to ensure proper handling, installation, and use of the product.

## General Safety Guidelines

- Always inspect the product before use to ensure it is in good condition.
- Ensure that the swivels are securely attached to your rifle and that all components are tightened properly.
- Avoid using the sling with damaged or worn components.
- Keep the product out of reach of children to prevent accidents.
- Store the product in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- Ensure that the sling is suitable for the weight and type of rifle you are using.
- Do not exceed the recommended weight limit for the sling.
- Always use the quickdetach feature with caution to prevent accidental release.
- Be aware of your surroundings when using the sling to avoid entanglement or injury.
- Regularly check the condition of the wood screw front stud and replace it if damaged.

## Instructions for Installation and Usage

### Installation

1. **Select Mounting Location:** Choose a suitable location on your rifle for the mounting stud.
2. **Prepare the Area:** Ensure the area is clean and free from debris.
3. **Install the Mounting Stud:**
  - For model GTSW23, use the wood screw front stud.
  - For other models, use the machine screw and nut or the specific hardware for attaching to a magazine tube or barrel.
4. **Attach the Swivel:** Securely attach the swivel to the mounting stud.
5. **Lock Down:** Use the knurled cylinder nut to lock down the swivel and prevent accidental opening.

### Usage

- When using the sling, ensure it is properly adjusted for your comfort and safety.
- Always keep the rifle pointed in a safe direction when attaching or detaching the sling.
- If using the quickdetach feature, ensure that the swivel is fully engaged before using the sling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling the metal components where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of this product, please consult the manufacturer or an authorized dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy your RIFLE SLING SWIVEL SETS GROVTEC US 11/4" WOOD SCREW SET responsibly and safely.
