30 Caliber Ammo Can Liner Safety Instruction Guide

Introduction

Thank you for purchasing the 30 Caliber Ammo Can Liner by BLUGUARD VCI. This liner is designed to provide 100% corrosion protection for your ammunition, ensuring that it remains in optimal condition for up to 20 years. This guide contains important safety instructions and guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose: to line 30 caliber ammo cans.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the liner for any signs of damage or wear before use.
- Keep the product out of reach of children and pets to prevent accidental exposure.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the liner with any food products or for any food storage purposes.
- Avoid exposing the liner to extreme temperatures or open flames.
- Ensure that the zipper closure is fully secured before storing the ammo can.
- Do not force the zipper if it becomes stuck; gently realign the teeth before attempting to close.
- If the liner becomes damaged, discontinue use immediately and dispose of it according to the disposal instructions below.

Instructions for Installation and Usage

1. Preparation:

- Clean the interior of the ammo can to remove any debris or moisture.
- Ensure that the ammo can is dry before inserting the liner.

2. Installation:

- Carefully unfold the liner and place it inside the ammo can.
- Ensure that the liner fits snugly against the walls of the can.
- Align the zipper with the opening of the can.

3. Closing the Liner:

- Gently pull the zipper closed, ensuring that it is free from any obstructions.
- Check that the zipper is fully closed to provide maximum corrosion protection.

4. Storage:

- Store the ammo can in a secure location, away from children and pets.
- Regularly check the condition of the liner and the contents of the ammo can.

Disposal Instructions

- Dispose of the liner in accordance with local regulations for plastic waste.

- Do not incinerate the liner, as it may release harmful substances when burned.
- If the liner is damaged, seal it in a plastic bag before disposal to prevent any potential hazards.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 30 Caliber Ammo Can Liner, please refer to the EU contact point for product safety inquiries.

By following these safety instructions, you can ensure the safe and effective use of the 30 Caliber Ammo Can Liner. Thank you for your attention to these important guidelines.
