

# SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT 12 GA

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Reusable Foam Swabs For Precision Cleaning

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

# Safety Instruction Guide for SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH

## Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS. This product is designed to provide a convenient and effective solution for cleaning your shotgun bore. To ensure safe and proper use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Bore Tips as intended and follow the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid using damaged or worn Bore Tips to prevent accidents and ineffective cleaning.
- Store the Bore Tips in a cool, dry place away from direct sunlight and extreme temperatures.
- Regularly check for any signs of wear or damage before each use.
- Dispose of any used Bore Tips responsibly, following local regulations.

## Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before using the Bore Tips.
- Do not use Bore Tips with firearms that are not compatible with 12 gauge caliber.
- Use Bore Tips only with cleaning rods that have 832 female threads.
- Avoid using excessive force while cleaning to prevent damage to the bore or Bore Tips.
- Handle solvents and oils carefully, following the manufacturer's safety instructions for these products.
- Do not mix different cleaning chemicals unless specified safe by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your shotgun is completely unloaded.
- Gather your cleaning rod, Bore Tips, and any solvents or oils you plan to use.

### 2. Installation:

- Take a Bore Tip and attach it to the cleaning rod by screwing it onto the 832 female thread.
- Ensure it is securely fastened before use.

### 3. Usage:

- Insert the Bore Tip into the bore of the shotgun.
- Move the Bore Tip back and forth gently to clean the bore thoroughly.
- If using solvents or oils, apply them to the Bore Tip before insertion for better cleaning results.
- After cleaning, remove the Bore Tip and clean it with a solvent to remove any residue.

### 4. Reusability:

- You can reuse the Bore Tips up to five times. Inspect them for wear after each use.
- If they show signs of damage or wear, dispose of them and use a new Bore Tip.

## **Disposal Instructions**

- Dispose of used Bore Tips in accordance with local waste disposal regulations.
- Do not dispose of Bore Tips in regular household waste if they contain hazardous materials.
- Check with local authorities for proper disposal methods for cleaning products and materials.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the SUPER BRUSH BORE TIPS SWABITS, please refer to the product packaging for contact information or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your SUPER BRUSH BORE TIPS SWABITS for a cleaner and more effective shotgun experience!
