Safety Instruction Guide for the Present Arms 1911 Fixture Block

Introduction

Thank you for choosing the Present Arms 1911 Fixture Block. This product is designed to assist armorers in fitting and dressing all parts of the 1911 handgun safely and effectively. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the fixture block.
- Ensure that the workspace is clean, organized, and free from distractions.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling the fixture block and tools.
- Keep the fixture block out of reach of children and vulnerable individuals.
- Regularly inspect the fixture block for any signs of wear or damage before use.
- In case of any malfunction or damage, do not attempt to repair the fixture block yourself. Contact a qualified professional for assistance.

Specific Safety Precautions for Use

- Ensure that the 1911 handgun is unloaded before using the fixture block.
- Verify that all components being fitted or adjusted are compatible with the 1911 model.
- Do not exceed the recommended torque specifications when using tools with the fixture block.
- Avoid placing fingers near moving parts during adjustments.
- Be cautious of sharp edges and points on both the fixture block and the handgun components.
- Use proper techniques when holding the fixture block to prevent slips and accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is welllit and organized.
- Gather all necessary tools and components for fitting the 1911 handgun.

2. Fitting the Fixture Block:

- Place the Present Arms 1911 Fixture Block securely on the Present Arms 1911 Armorer Plate.
- Ensure that the fixture block is stable and will not shift during use.

3. Using the Fixture Block:

◦ Check Trigger Sear Fit:

- Align the trigger and sear components using the fixture block.
- Adjust as necessary to ensure a proper fit.

◦ Grip Safety Adjustment:

- Hold the grip safety in place to dress the trigger bow interface.

- **Thumb Safety Adjustments:**

- Hold the thumb safety to dress for plunger interface.
- Inspect the thumb safety for sear interface.

- **Frame Handling:**

- Hold the frame securely to facilitate ease of sear and disconnect installation.

4. PostUse:

- After completing the fitting, carefully remove the fixture block from the armorer plate.
- Store the fixture block in a safe location away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the fixture block in accordance with local regulations.
- If the fixture block is damaged beyond repair, ensure that it is properly recycled or disposed of to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Present Arms 1911 Fixture Block, please consult the manufacturer's website or customer support resources available in your region.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your Present Arms 1911 Fixture Block.
