# Safety Instruction Guide for ARMORER'S PLATE FOR GLOCK

## Introduction

Thank you for choosing the Present Arms Armorer's Plate for Glock Pistols. This product is designed to assist professional armorers, military personnel, law enforcement, and civilians in safely maintaining Glock series pistols. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms in accordance with local laws and regulations.
- Keep the workspace clean and organized to avoid accidents.
- Ensure that the firearm is unloaded before beginning any maintenance work.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Be aware of your surroundings and ensure that no unauthorized individuals are present during maintenance.
- Regularly check for wear and tear on the Armorer's Plate to ensure it remains in safe working condition.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The Armorer's Plate is designed for use with Glock series pistols only. Do not use it with other firearm brands or models.
- The Armorer's Plate will not work with Glock Gen 5 models. Ensure compatibility before use.
- Use caution when removing or installing pins and parts; sharp tools may be involved.
- Do not force any components; if something does not fit, reassess the situation before proceeding.
- Keep children and pets away from the workspace during maintenance activities.

## Instructions for Installation and Usage

### 1. Setting Up the Armorer's Plate

- Place the Armorer's Plate on a stable and flat surface.
- Ensure that the universal magazine mount is securely attached to the plate.
- Adjust the swivel to enable 360degree rotation as needed.

### 2. Using the Armorer's Plate

- Place the Glock pistol frame on the designated areas of the Armorer's Plate, ensuring that it is stable and secure.
- Use the missionspecific cuts to hold the frame left and right side down.
- Proceed with pin removal and installation as needed, ensuring that you are using the correct tools.
- If you need to clean or repair the firearm, rotate the plate to access all necessary areas comfortably.

### 3. PostUsage Care

- After completing maintenance, carefully remove the pistol from the Armorer's Plate.
- Clean the Armorer's Plate with a soft cloth to remove any debris or residue.
- Store the Armorer's Plate in a safe location when not in use.

## Disposal Instructions

- When the Armorer's Plate has reached the end of its useful life, dispose of it in accordance with local regulations.
- Check if the product can be recycled or if it should be discarded as general waste.
- Ensure that all components are disposed of in a manner that does not pose a risk to the environment or public safety.

## Contact Information for Further Support

For any questions or concerns regarding the use of the Armorer's Plate, please reach out to the manufacturer or retailer where the product was purchased. Ensure that you have the product details ready for a more efficient response.

This safety instruction guide is designed to help you use the Present Arms Armorer's Plate for Glock Pistols safely and effectively. By following these guidelines, you can ensure a safe and productive maintenance experience. Thank you for your attention to safety and responsible firearm handling.
