Safety Instruction Guide for 2" Riser Block Assembly

Introduction

Thank you for choosing the 2" Riser Block Assembly by PRESENT ARMS INC. This product is designed to enhance your firearm experience safely and effectively. Please read this safety instruction guide thoroughly to ensure proper use and maintenance of the product.

General Safety Guidelines

To ensure your safety and the safety of others while using the 2" Riser Block Assembly, please adhere to the following guidelines:

- Always handle firearms with care and respect.
- Ensure the firearm is unloaded before attaching or adjusting the riser block.
- Use the riser block only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the riser block for signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

When using the 2" Riser Block Assembly, please observe the following precautions:

- **Proper Fit:** Ensure the riser block is compatible with your firearm model.
- **Secure Attachment:** Always ensure that the riser block is securely attached before use.
- **Avoid Overloading:** Do not exceed the recommended weight limit for any accessories mounted on the riser block.
- **Environmental Considerations:** Avoid exposing the riser block to extreme temperatures or direct sunlight for prolonged periods.
- **Cleaning:** Use a soft, dry cloth for cleaning. Avoid harsh chemicals that may damage the polymer material.

Instructions for Installation and Usage

Follow these instructions carefully for the proper installation and use of the 2" Riser Block Assembly:

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, if required, for installation.

2. Installation:

- Align the riser block with the mounting points on your firearm.
- Securely fasten the riser block according to the manufacturer's instructions.
- Doublecheck the attachment to ensure it is stable and secure.

3. Usage:

- Once installed, test the stability of the riser block before using it in an active setting.
- Adjust any accessories mounted on the riser block as needed for optimal performance.
- Always maintain a safe shooting position and follow all standard firearm safety protocols during

use.

Disposal Instructions

When it comes time to dispose of the 2" Riser Block Assembly, please follow these guidelines:

- Do not dispose of the riser block in regular household waste.
- Check local regulations for proper disposal of polymer materials.
- If the riser block is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the 2" Riser Block Assembly, please refer to the contact information provided on the packaging or visit the manufacturer's website for more resources.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy your experience with the 2" Riser Block Assembly.
