

# AR-15 FREE FLOAT HANDGUARDS - DOUBLE STAR AR15 PISTOL LENGTH HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Includes Barrel Nut For Fast Installation

Machined aluminum handguard mounts onto your AR-15 and free floats the barrel to relieve stress and help enhance accuracy potential. Fits all standard size uppers and includes barrel nut for fast and easy installation. Accepts standard barrel nut wrenches and features knurled center section for secure grip. Rifle handguard has 5 longitudinal flutes to save weight, and 10 slots cut in the muzzle end to help improve air flow and help speed cooling. Carbine handguard has 8 longitudinal flutes to save weight. Pistol handguard has no flutes or slots.

# Safety Instruction Guide for AR15 Free Float Handguards

## Introduction

Thank you for purchasing the AR15 Free Float Handguards by Double Star. This guide provides essential safety information and instructions for the proper use and installation of your handguard. Please read this guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 before installing or using the handguard.
- Always handle firearms with care and follow all applicable laws and regulations.
- Inspect the handguard for any damage before installation. Do not use if damaged.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Wear appropriate safety gear such as gloves and safety glasses during installation.
- Always ensure the firearm is unloaded before performing any maintenance or installation work.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories mounted on the handguard.
- Ensure that the barrel is properly secured and that the handguard is installed according to the instructions.
- Avoid exposure to extreme temperatures, as this can affect the integrity of the materials.
- Regularly check for loose fittings or signs of wear on the handguard and associated components.
- If you notice any unusual behavior or performance issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Gather necessary tools, including a barrel nut wrench.

### 2. Installation Steps:

- Remove the existing handguard by unscrewing the barrel nut.
- Install the new barrel nut included with your handguard using the barrel nut wrench.
- Align the handguard with the barrel nut and slide it into place.
- Secure the handguard to the barrel nut according to the manufacturer's instructions.
- Check that the handguard is firmly attached and does not move.

### 3. Usage:

- Once installed, ensure that all accessories are securely mounted.
- Regularly clean and maintain the handguard to ensure optimal performance.
- Follow all safety practices when using the firearm equipped with the handguard.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations for aluminum and metal waste.
- If the handguard is damaged beyond repair, contact your local waste management facility for proper disposal.

disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, installation, or product performance, please reach out to the manufacturer or an authorized dealer for assistance.

Thank you for prioritizing safety while using the AR15 Free Float Handguards. Your attention to these guidelines helps ensure a safe and enjoyable experience.
