

# AR-15 FREE FLOAT HANDGUARDS - DOUBLE STAR AR15 CARBINE LENGTH HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Includes Barrel Nut For Fast Installation

Machined aluminum handguard mounts onto your AR-15 and free floats the barrel to relieve stress and help enhance accuracy potential. Fits all standard size uppers and includes barrel nut for fast and easy installation. Accepts standard barrel nut wrenches and features knurled center section for secure grip. Rifle handguard has 5 longitudinal flutes to save weight, and 10 slots cut in the muzzle end to help improve air flow and help speed cooling. Carbine handguard has 8 longitudinal flutes to save weight. Pistol handguard has no flutes or slots.

# AR15 Free Float Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Free Float Handguards by Double Star. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and follow these instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 model before installation.
- Always handle firearms with care and follow all safety protocols.
- Store the handguard in a safe place, away from children and unauthorized users.
- Inspect the handguard regularly for any signs of damage or wear.
- Do not use the handguard if it appears to be damaged or compromised.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Failure to secure the handguard can result in it becoming loose during use.
- **Avoiding Hazards:**
  - Ensure all components are properly tightened before use.
  - Use only compatible tools for installation and maintenance.
  - Do not overload the handguard with accessories beyond its design specifications.
- **Age Restrictions:**
  - This product is intended for use by individuals 18 years and older. Ensure that minors are supervised when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools, including a standard barrel nut wrench.
- Remove the existing handguard from your AR15 upper receiver.
- Install the barrel nut included with the handguard. Tighten according to manufacturer specifications.
- Slide the new handguard onto the barrel nut and secure it in place.
- Ensure that the handguard is properly aligned and tightened before use.

### 2. Usage:

- Use the handguard only as intended and according to the manufacturer's specifications.
- Regularly check the tightness of the handguard during use, especially after extended shooting sessions.
- Clean the handguard with a soft cloth and mild detergent as needed. Avoid harsh chemicals that

may damage the finish.

## **Disposal Instructions**

- Dispose of the handguard responsibly at a designated recycling or waste facility.
- Follow local regulations for the disposal of aluminum products.
- Ensure that all components are removed and disposed of properly to prevent any environmental harm.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the AR15 Free Float Handguards, please refer to the manufacturer's contact details, which can be found on the product packaging or the official website.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new handguard responsibly.
