

BENELLI ULTIMATE OVERSIZED SAFETY - TARAN TACTICAL INNOVATIONS BENELLI ULTIMATE OVERSIZED SAFETY GRAY

[Shotgun Parts](#) > [Receiver & Action Parts](#) > [Safety Parts](#) > [Safeties](#)

This safety was designed to be the ultimate extended safety for Three Gun Competition and Tactical shotguns where getting the gun from a safe position to the ready fire position in a split second counts. Smooth to disengage and engages with a positive click Long enough to disengage with out repositioning your trigger finger but not obtrusive to where it distracts the trigger finger while firing Extended "safe" side for more leverage and ease of engaging the safety Easy to operate even when wearing gloves User friendly, easy installation No Gunsmithing required to fit around the shape of the Benelli trigger guard

Safety Instruction Guide for BENELLI ULTIMATE OVERSIZED SAFETY

Introduction

Thank you for choosing the BENELLI ULTIMATE OVERSIZED SAFETY by Taran Tactical Innovations. This safety device is designed specifically for Three Gun Competition and Tactical shotguns, ensuring quick and reliable operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the safety device is compatible with your shotgun model, specifically the Benelli M1, M2, M3, M4, Super Black Eagle, Montefeltro, and Remington Versa Max.
- Always treat your shotgun as if it is loaded, even when the safety is engaged.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Store your shotgun and safety device in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the safety device for any signs of wear or damage before use.

Specific Safety Precautions for Use

- *Smooth Operation:* The safety is designed to disengage smoothly and engage with a positive click. Practice using the safety in a controlled environment.
- *Trigger Finger Position:* Ensure that your trigger finger is properly positioned when disengaging the safety to avoid accidental discharge.
- *Wearing Gloves:* The safety is easy to operate even while wearing gloves. However, practice operating the safety with gloves to ensure familiarity.
- *Engagement and Disengagement:* The extended "safe" side allows for more leverage. Ensure you are comfortable with its operation before engaging in live firing situations.
- *Avoid Distraction:* The design aims to minimize distraction to the trigger finger; however, remain focused when handling the firearm.

Instructions for Installation and Usage

Installation

1. Ensure the shotgun is unloaded and pointed in a safe direction.
2. Remove the existing safety device from the shotgun, if applicable.
3. Align the BENELLI ULTIMATE OVERSIZED SAFETY with the trigger guard.
4. Insert the safety into the designated slot, ensuring it fits snugly without forcing it.
5. Confirm that the safety operates smoothly before reassembling any additional components of the shotgun.

Usage

1. To engage the safety, push the lever until you hear a positive click.
2. To disengage the safety, push the lever in the opposite direction until it clicks into place.
3. Always verify that the safety is engaged before storing or transporting the shotgun.
4. During shooting, practice disengaging the safety smoothly and quickly to become proficient.

Disposal Instructions

- Dispose of the safety device in accordance with local regulations.
- If the safety device is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.
- Recycle materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For additional information or support regarding the BENELLI ULTIMATE OVERSIZED SAFETY, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

Following these safety instructions will help ensure the safe and effective use of the BENELLI ULTIMATE OVERSIZED SAFETY. Always prioritize safety and remain informed about best practices when handling firearms. Thank you for your attention to these important guidelines.
