

BENELLI C-CLIP 5 PACK - TARAN TACTICAL INNOVATIONS BENELLI C-CLIP 5 PACK

[Shotgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Trigger Springs](#)

TTI Trigger Guard C-Clip is made from chrome silicon heat treated wire for maximum strength. This is a part that can get lost very easily and render your shotgun inert until replaced. A must-have for three-gunners and custom shops.

BENELLI CCLIP 5 PACK Safety Instruction Guide

Introduction

Thank you for choosing the BENELLI CCLIP 5 PACK from Taran Tactical Innovations. This product is designed to enhance the functionality of your shotgun. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the shotgun is unloaded before installing or replacing the CClip.
- Store the CClips in a secure place to prevent loss and ensure they are available when needed.
- Regularly inspect your shotgun and its components for wear and damage.
- Report any unsafe products or accidents to the proper authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The CClip is made from chrome silicon heattreated wire, ensuring maximum strength. However, improper use can still lead to failure.
- Ensure that the CClip is properly installed to avoid accidents or malfunction of the shotgun.
- Keep the CClip and all firearm components out of reach of children and unauthorized users.
- Use the CClip only for its intended purpose—do not modify or misuse it.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your shotgun is completely unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation:

- Locate the trigger guard area of your shotgun.
- Align the CClip with the designated installation point.
- Securely attach the CClip by following the manufacturer's guidelines, ensuring it is firmly in place.

3. Usage:

- After installation, conduct a thorough check to confirm that the CClip is correctly positioned and secure.
- Test the functionality of the shotgun to ensure that it operates safely and effectively.

4. Maintenance:

- Regularly inspect the CClip for signs of wear or damage.
- Replace the CClip immediately if it appears compromised.

Disposal Instructions

- Dispose of any damaged or worn CClips in accordance with local regulations.
- Do not dispose of CClips in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance regarding the BENELLI CCLIP 5 PACK, please refer to the manufacturer's contact information provided with your product. Ensure you have your product details on hand for a more efficient response.

By following these safety instructions, you can ensure the safe and effective use of the BENELLI CCLIP 5 PACK. Thank you for your commitment to safety and responsible firearm handling.
