# 12GA SAIGA CHOKE TUBE SGM TACTICAL SAIGA FULL CHOKE TUBE Safety Instruction Guide

## Introduction

Thank you for choosing the 12GA SAIGA CHOKE TUBE SGM TACTICAL SAIGA FULL CHOKE TUBE. This product is designed to enhance the performance of your Saiga 12 shotgun by changing its pattern while allowing for the attachment of a muzzle brake or flash hider. Please read this safety instruction guide carefully to ensure safe and effective use of the choke tube.

## General Safety Guidelines

- Always ensure the choke tube is compatible with your firearm model before installation.
- Handle all firearms and accessories with care, following all safety protocols.
- Store the choke tube in a secure location, away from children and unauthorized users.
- Regularly inspect the choke tube for any signs of damage or wear.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before installing or removing the choke tube.
- Use the choke tube only with ammunition that is suitable for your shotgun.
- Do not modify the choke tube or attempt to use it in ways not specified in this guide.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.
- Always wear appropriate eye and ear protection when using the shotgun.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Locate the choke tube threads at the muzzle end of the shotgun.
- Align the choke tube with the threads and gently screw it in clockwise until it is securely fastened. Do not overtighten.
- If using a muzzle brake or flash hider, attach it according to the manufacturer's instructions.

### 2. Usage

- Always check that the choke tube is securely installed before firing.
- Use the shotgun in accordance with the manufacturer's guidelines and safety practices.
- After use, clean the choke tube to remove any residue and prevent corrosion.

### 3. Removal

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Unscrew the choke tube by turning it counterclockwise until it is free from the threads.
- Store the choke tube in a safe and dry location.

## Disposal Instructions

- Dispose of the choke tube in accordance with local regulations regarding metal waste.
- Do not dispose of the choke tube in regular household waste.
- If the choke tube is damaged or no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's guidelines or contact your local dealer.

Thank you for prioritizing safety while using the 12GA SAIGA CHOKE TUBE SGM TACTICAL SAIGA FULL CHOKE TUBE. Enjoy your shooting experience responsibly!
