

# AR-15 FLIP-UP MBUS PRO BACK-UP FRONT SIGHT - MAGPUL MBUS PRO FRONT SIGHT FLIP-UP ADJUSTABLE STEEL BLACK

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

The MBUS Pro. The all-steel back up sighting solution that delivers maximum functionality and strength with minimum bulk at a price that's even smaller than its size. The dual aperture, windage adjustable rear and no-tool, elevation adjustable front excel in all 1913 Picatinny rail mounting applications, including rail-height gas blocks. Will not regulate with low profile or standard height gas blocks. Positive detents keep the MBUS PRO front and rear at standard AR sight height when deployed, and so low when they are stowed that you'll never notice them until they're needed. Narrow width front is compatible with most IR aiming laser and light installations for the professional user.

## Attributes

- Name: [MAGPUL MBUS PRO FRONT SIGHT FLIP-UP ADJUSTABLE STEEL BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100012615

# Safety Instruction Guide for AR15 FlipUp MBUS Pro BackUp Front Sight

## Introduction

Thank you for choosing the AR15 FlipUp MBUS Pro BackUp Front Sight by MAGPUL. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your sighting solution. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Always ensure the sight is securely mounted before operation.
- Regularly inspect the sight for any signs of damage or wear.
- Do not attempt to modify the sight in any way.
- Keep the sight clean and free from obstructions.
- Use the sight only in accordance with the manufacturer's instructions.
- Ensure that all users are familiar with the operation of the sight.
- Store the sight in a safe place, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- The sight is designed for use with AR15 platforms. Ensure compatibility before installation.
- Avoid using the sight in extreme weather conditions that may impair visibility or functionality.
- Be aware of your surroundings when using the sight to avoid accidents.
- Do not use the sight while under the influence of substances that may impair judgment.
- If you notice any malfunction or unusual behavior, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. Ensure the weapon is unloaded and pointed in a safe direction.
2. Locate the 1913 Picatinny rail on your AR15.
3. Align the MBUS Pro Front Sight with the rail and slide it into position.
4. Secure the sight using the provided mounting hardware.
5. Confirm that the sight is firmly attached and does not move.

### Usage

1. Deploy the sight by flipping it up into the operational position.
2. Adjust the elevation using the notool adjustment knob to suit your needs.
3. Use the dual aperture for different shooting scenarios as required.
4. After use, fold the sight down to stow it, ensuring it locks into place.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please contact the manufacturer

directly. Ensure you have the product information ready for a more efficient support experience.

By following these guidelines, you can ensure the safe and effective use of your AR15 FlipUp MBUS Pro BackUp Front Sight. Thank you for prioritizing safety and responsible usage.
