# MOE® Grip Panels for 1911 Full Size Safety Instructions

## Introduction

Thank you for choosing the MOE® Grip Panels for your 1911 Full Size firearm. These grip panels are designed to enhance your shooting experience by providing improved control and comfort. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Never point a firearm at anything you do not intend to shoot.
- Store firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Use only compatible accessories designed for your specific firearm model.

## Specific Safety Precautions for Use

- Ensure that the MOE Grip Panels are securely attached to your 1911 before use.
- Check for any sharp edges or defects on the grip panels that could cause injury.
- Be aware that improper installation may affect the functionality of the firearm.
- If you experience any discomfort or difficulty while using the grip panels, discontinue use immediately.
- Avoid using the grip panels in wet or slippery conditions to prevent loss of control.

## Instructions for Installation and Usage

### Installation

1. **Remove Existing Grips:** Carefully remove the existing grip panels from your 1911 using the appropriate tools.
2. **Clean the Frame:** Wipe down the grip area of the frame to ensure a clean surface for installation.
3. **Align the Grip Panels:** Position the MOE Grip Panels onto the frame, ensuring that the magazine release cutout aligns properly.
4. **Secure the Panels:** Use the provided screws to attach the grip panels firmly to the frame. Do not overtighten, as this may damage the polymer.
5. **Final Inspection:** Check that the grip panels are securely attached and that there are no gaps or misalignments.

### Usage

- Hold the firearm with a firm grip, ensuring that your fingers are placed correctly on the grip panels.
- Practice safe handling and shooting techniques at all times.
- Regularly check the grip panels for any signs of wear or damage, especially after extensive use.

## Disposal Instructions

- Dispose of the MOE Grip Panels responsibly, following local regulations for plastic waste.
- Do not burn the grip panels, as this may release harmful chemicals.
- If the grip panels are damaged or no longer usable, consider recycling them if possible.

## **Contact Information for Further Support**

For any safety inquiries or product support, please reach out to the manufacturer directly or consult the packaging for additional information.

By following these safety instructions, you can ensure a safer shooting experience with your MOE Grip Panels for 1911 Full Size. Always prioritize safety and responsible firearm handling.
