M&P FIREPOWER BASE PAD SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the M&P FIREPOWER BASE PAD by Taran Tactical Innovations. This product is designed to enhance your magazine's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the base pad.
- Keep the base pad and magazines out of reach of children and unauthorized users.
- Regularly inspect the base pad for wear or damage. If any issues are found, discontinue use immediately.
- Do not modify the base pad or attempt to disassemble it beyond what is described in the installation instructions.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- Ensure that the base pad is securely attached to the magazine before use. A loose base pad may cause malfunction.
- When reloading, maintain a safe distance from others to prevent accidental injury.
- Always point the firearm in a safe direction when loading or unloading.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- Use caution when handling loaded magazines. Treat every magazine as if it is loaded.

Instructions for Installation and Usage

Installation

1. **Prepare the Magazine:** Ensure the magazine is unloaded and clean.
2. **Attach the Base Pad:**
 - Align the base pad with the magazine.
 - Use the pushpin design to secure the base pad. Push the pin until it clicks into place.
3. **Check Security:** Gently pull on the base pad to ensure it is securely attached.

Usage

- Load the magazine with the appropriate ammunition (20+1 rounds of 40S&W or 23+1 rounds of 9mm).
- Insert the magazine into the firearm, ensuring it is seated properly.
- To detach the base pad, push the pin and remove it gently from the magazine.

Disposal Instructions

- Dispose of the base pad in accordance with local regulations for aluminum recycling.
- Do not dispose of the base pad in regular household waste.
- If the product is damaged or no longer usable, ensure it is safely disposed of to prevent injury.

Contact Information for Further Support

For any inquiries or further assistance, please refer to the manufacturer's website or customer service for support and information regarding safety concerns or product recalls.

Thank you for prioritizing safety while using the M&P FIREPOWER BASE PAD. Your compliance with these guidelines helps ensure a safe and enjoyable experience.
