

# 42" PADDED WEAPONS CASE - VOO DOO TACTICAL 42" PADDED WEAPONS CASE, BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

## Protects Multiple Guns From The Hard Knocks Of Travel

Heavy-duty padded case holds two rifles, two pistols, and extra gear. Main compartment has thick foam on all six sides with plenty of room for rifles up to 41" in length. Adjustable straps inside keep your rifles securely in place, while corner pockets protect the muzzle and buttstock. A cushioned internal divider prevents the rifles from rubbing together. Inside the big external compartment you'll find two padded pockets for pistols, optics, or more small stuff. Three more exterior pouches will hold boxes of ammo, a cleaning kit, or spare magazines. External MOLLE loops allow you to attach additional gear. Carry by the padded handle, detachable shoulder strap, or the back pack-style shoulder harness.

# Safety Instruction Guide for 42" Padded Weapons Case

## Introduction

Thank you for choosing the 42" Padded Weapons Case by VOO DOO TACTICAL. This safety instruction guide is designed to help you use this product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the case is used only for its intended purpose: to store and transport firearms and related equipment.
- Always check the case for damages before use. Do not use if the case is damaged.
- Keep the case out of reach of children and unauthorized persons.
- Be aware of the legal requirements regarding the storage and transportation of firearms in your country.
- Regularly inspect the case for wear and tear to ensure ongoing safety and functionality.

## Specific Safety Precautions for Use

- Always ensure that firearms are unloaded before placing them in the case.
- Use the adjustable straps inside the case to secure rifles firmly in place.
- Avoid overloading the case with excessive gear, as this may compromise its structural integrity.
- Do not expose the case to extreme temperatures or harsh weather conditions, as this may damage the materials.
- When carrying the case, ensure that it is held securely to prevent dropping or accidental opening.

## Instructions for Installation and Usage

### 1. Unpacking the Case

- Carefully remove the case from its packaging.
- Inspect the case for any visible defects or damage.

### 2. Loading Firearms and Equipment

- Open the main compartment of the case.
- Place your rifles in the main compartment, ensuring they do not exceed the maximum length of 41 inches.
- Use the internal adjustable straps to secure the rifles in place.
- Place pistols and smaller items in the padded pockets located in the big external compartment.
- Store additional gear in the exterior pouches, ensuring they are securely closed.

### 3. Carrying the Case

- Use the padded handle for short distances.
- For longer distances, attach the detachable shoulder strap or use the backpackstyle shoulder harness.
- Ensure that the case is balanced while carrying to avoid strain.

### 4. Storage

- Store the case in a cool, dry place when not in use.

- Avoid stacking heavy objects on top of the case to maintain its shape and integrity.

## **Disposal Instructions**

- When the case reaches the end of its useful life, dispose of it in accordance with local waste disposal regulations.
- If the case is damaged beyond repair, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 42" Padded Weapons Case, please refer to the EU contact point provided with your product or visit the official VOO DOO TACTICAL website for further assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of your 42" Padded Weapons Case. Always prioritize safety and compliance with local laws regarding firearms storage and transportation. Thank you for your attention to these important safety guidelines.
