

# THREAD ADAPTER 9/16-24 TO 5/8-24 - PRECISION ARMAMENT THREAD ADAPTER 9/16-24 TO 5/8-24 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Thread Adapters](#)

Machined from pre-hardened, stainless steel bar stock. Wrench flats on shoulder make installation and removal for use on multiple devices simple and easy. Compact design moves muzzle device only .100" forward maintaining full thread joint strength. All threads are single point cut in same operation to tight UNEF Class-3 tolerances for perfect concentricity and alignment. Allows attachment of 5/8-24 muzzle devices to a 9/16-24 threaded barrel.

## Attributes

- Name: [PRECISION ARMAMENT THREAD ADAPTER 9/16-24 TO 5/8-24 BLACK](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100012975
- Mfr. No.: A02004
- Finish: Black
- Threads: 9/16-24 TO 5/8-24
- Weapon type: AR-15
- Delivery weight: 0.007kg
- Shipping height: 13mm
- Shipping width: 25mm
- Shipping length: 51mm

## Item details

Made in USA

US export classification: 0A501.x

# THREAD ADAPTER 9/1624 TO 5/824 SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the THREAD ADAPTER 9/1624 TO 5/824 by Precision Armament. This document provides important safety instructions and guidelines to ensure the safe use of this product. Please read and understand these instructions before using the adapter.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Always handle the adapter with care to avoid injury.
- Regularly inspect the adapter for signs of wear or damage before each use.
- Store the adapter in a dry and secure location, away from children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when installing or removing the adapter.
- Ensure that the firearm is unloaded before installing or removing the adapter.
- Do not exceed the recommended torque specifications during installation to avoid damaging the threads.
- Be aware of the potential for muzzle devices to become hot during use; allow adequate cooling time before handling.
- If you are not familiar with firearms or their components, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a torque wrench and appropriate safety gear.

### 2. Installation:

- Align the THREAD ADAPTER with the 9/1624 threaded barrel.
- Handtighten the adapter to ensure proper alignment.
- Use a torque wrench to tighten the adapter to the manufacturer's specifications. Avoid overtightening.

### 3. Usage:

- Once installed, the adapter allows for the attachment of 5/824 muzzle devices.
- Ensure that the attached muzzle device is securely fastened and check for stability before use.

### 4. Removal:

- To remove the adapter, use a torque wrench to loosen it.
- Store the adapter in a safe place when not in use.

## Disposal Instructions

- Dispose of the THREAD ADAPTER in accordance with local regulations regarding metal products.

- Do not dispose of the adapter in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or additional support related to this product, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Thank you for choosing Precision Armament. Your safety is our priority.
