# Safety Instruction Guide for BERETTA 92 Tactical Slant Grips

## Introduction

Thank you for choosing the BERETTA 92 Tactical Slant Grips by VZ Grips. This product is designed to enhance your grip and control during use. To ensure your safety and the proper functioning of the grips, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the grips regularly for any signs of wear or damage.
- Keep the grips out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the grips only with the specified Beretta model (Model 92).
- Ensure that your hands are clean and dry before handling the grips to maintain optimal grip performance.
- Avoid using the grips in extreme weather conditions that may affect their performance.
- Do not modify the grips in any way, as this may compromise safety and effectiveness.
- If you experience any discomfort or adverse effects while using the grips, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing grips from the Beretta 92 by unscrewing the grip screws.
- Align the VZ Grips with the firearm's frame.
- Secure the grips in place by tightening the grip screws without overtightening, which may damage the grips or the firearm.

### 2. Usage

- Hold the firearm firmly using the grips, ensuring that your fingers are positioned correctly to maintain control.
- Practice proper shooting techniques to maximize the benefits of the grips.
- Regularly check the tightness of the grip screws during use to ensure they remain secure.

## Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding plastic and composite materials.
- Do not dispose of the grips in regular household waste if local laws require special disposal methods for such materials.
