Safety Instruction Guide for SHOTSHELL BRASS MAGTECH AMMUNITION 12 GAUGE BRASS SHOTSHELLS

Introduction

Thank you for choosing Magtech 12 Gauge Brass Shotshells. This guide provides important safety instructions to ensure the safe handling, use, and disposal of this ammunition. Please read and understand these guidelines before using the product.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Regularly inspect ammunition for any signs of damage or defects before use.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use only in firearms that are designed for 12 gauge shotshells.
- Ensure the firearm is in good working condition and has been properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or alter the ammunition in any way.
- Avoid using ammunition that has been exposed to extreme temperatures or conditions.
- Never point a firearm at anything you do not intend to shoot.
- Always keep the firearm pointed in a safe direction, even when loading or unloading.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before shooting.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Open the action of the firearm and ensure it is unloaded.
- Insert the shotshells into the magazine or chamber according to the manufacturer's instructions.
- Close the action securely.

2. Firing the Ammunition:

- Ensure the firearm is aimed at the intended target and that the area is clear.
- Engage the safety mechanism of the firearm until ready to shoot.
- Once ready, disengage the safety and pull the trigger to fire.

3. Unloading the Ammunition:

- Open the action of the firearm.
- Remove any remaining shotshells from the chamber and magazine.
- Inspect the chamber to ensure it is clear before handling or storing the firearm.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local laws and regulations.
- Do not throw ammunition in regular trash or recycling bins.
- Contact local waste management authorities for guidance on proper disposal methods.
- If you encounter any damaged or defective ammunition, do not attempt to use it. Follow local guidelines for safe disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the relevant authorities or your point of purchase.

Thank you for your attention to these safety guidelines. Your safety is our priority.
