# Safety Instruction Guide for SHOTSHELL BRASS MAGTECH AMMUNITION 16 GAUGE BRASS SHOTSHELLS

## Introduction

Thank you for choosing Magtech Ammunition. For over 80 years, we have been committed to providing highquality ammunition products. This guide provides essential safety instructions to ensure the safe use of our 16 Gauge Brass Shotshells. Please read and follow these instructions carefully.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from heat sources and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are using the correct gauge and shell length for your firearm:
  - Use only 16 Gauge shotshells in firearms specifically designed for this gauge.
  - This product is designed for use in 23/4" chambers.
- Inspect ammunition before use:
  - Check for any signs of damage or defects.
  - Do not use damaged or defective ammunition.
- Follow the manufacturer's instructions for your specific firearm regarding the use of shotshells.
- Do not mix different gauges or types of ammunition.
- Always keep the firearm pointed in a safe direction when loading or unloading.

## Instructions for Installation and Usage

### • Loading Ammunition:

- Open the action of the firearm and ensure it is unloaded.
- Insert the shotshell into the chamber according to the manufacturer's instructions.
- Close the action securely.

### • Firing:

- Ensure the firearm is aimed at a safe target.
- Check the firing area for safety.
- Pull the trigger only when you are ready to shoot.

### • Unloading:

- Open the action of the firearm immediately after firing.
- Remove any unfired shotshells from the chamber and magazine before handling the firearm further.

## **Disposal Instructions**

- Dispose of used shotshells responsibly:
  - Do not discard shotshells in regular trash.
  - Follow local regulations for the disposal of ammunition and spent casings.
- If you have any unused or expired ammunition, contact your local authorities for safe disposal options.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and product information, please refer to your local Magtech representative or visit the official Magtech website. Always ensure to have the product information available when seeking support.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with Magtech Ammunition.
