# **Safety Instruction Guide for SHOTSHELL BRASS MAGTECH AMMUNITION 20 GAUGE BRASS SHOTSHELLS**

## **Introduction**

Thank you for choosing Magtech Shotshell Brass Ammunition. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the ammunition.

## **General Safety Guidelines**

- Ensure that you are familiar with the laws and regulations regarding ammunition in your country or region.
- Always store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect ammunition for any signs of damage or defects before use. Do not use damaged ammunition.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Follow all safety instructions provided by your firearm manufacturer.

## **Specific Safety Precautions for Use**

- Only use Magtech Shotshell Brass Ammunition in firearms that are specifically designed for 20 gauge shotshells.
- Ensure that the chamber of your firearm is clean and free of obstructions before loading ammunition.
- Do not exceed the recommended shell length of 2.45 inches for this ammunition.
- Always handle ammunition with care and avoid exposing it to moisture or extreme temperatures.
- If a misfire occurs, keep the firearm pointed in a safe direction for at least 30 seconds before attempting to eject the cartridge.
- Never attempt to modify or alter ammunition in any way.

## **Instructions for Installation and Usage**

### **1. Loading the Ammunition:**

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and ensure it is clear of any previous ammunition.
- Insert the Magtech Shotshell Brass Ammunition into the chamber according to the manufacturer's instructions.
- Close the action securely.

### **2. Firing the Ammunition:**

- Always ensure that you are in a safe environment when firing.
- Follow the firearm manufacturer's instructions for firing.
- Maintain control of the firearm at all times.

### **3. PostFiring:**

- Once you have finished firing, ensure the firearm is unloaded and the action is open.
- Inspect the spent cartridges and the firearm for any issues.

## Disposal Instructions

- Dispose of spent cartridges and packaging in accordance with local regulations.
- Do not throw ammunition in the trash. Contact your local waste management authority for proper disposal methods.
- Store unused ammunition in a safe place until it can be disposed of properly.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product information, please consult the official Magtech website or contact your local distributor.

### Reporting Unsafe Products

If you encounter any unsafe products or accidents, report them to the appropriate authorities. Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with Magtech Shotshell Brass Ammunition. Thank you for your attention to safety.
