Safety Instruction Guide for SHOTSHELL BRASS MAGTECH AMMUNITION 28 GAUGE BRASS SHOTSHELLS

Introduction

Thank you for choosing Magtech Ammunition. For over 80 years, we have been dedicated to manufacturing highquality ammunition products. This guide provides essential safety information to ensure the safe use of the SHOTSHELL BRASS MAGTECH AMMUNITION 28 GAUGE BRASS SHOTSHELLS. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only the correct gauge and shell length specified for your firearm.
- Regularly inspect your firearm and ammunition for signs of damage or wear.
- Follow all local laws and regulations regarding the possession and use of ammunition.

Specific Safety Precautions for Use

- Use only large pistol primers as specified for this ammunition.
- Ensure that your shotgun is compatible with 28 gauge and can accommodate a 21/2" chamber.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or alter the ammunition in any way.
- Avoid using damaged or corroded ammunition.
- Do not use ammunition that has been exposed to water or other contaminants.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Open the action of your shotgun.
- Insert the 28 gauge brass shotshells into the magazine tube or chamber according to the manufacturer's instructions.
- Ensure that the shotshells are seated properly and securely.

2. Firing the Ammunition:

- Ensure that the firearm is pointed in a safe direction.
- Engage the safety mechanism of your firearm.
- Check your surroundings for safety before firing.
- Disengage the safety and pull the trigger to fire.

3. PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Open the action to eject any spent shell casings.
- Inspect the firearm for any malfunctions or irregularities.

Disposal Instructions

- Dispose of spent shotshells and any damaged ammunition in accordance with local regulations.
- Do not throw ammunition into regular trash.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of SHOTSHELL BRASS MAGTECH AMMUNITION 28 GAUGE BRASS SHOTSHELLS, please reach out to the appropriate authorities or your local Magtech representative. Ensure you have all relevant information, such as the product name and any specific issues you may have encountered.

Conclusion

Safety is paramount when handling ammunition. By following the guidelines and instructions provided in this document, you can help ensure a safe and enjoyable shooting experience. Always stay informed about product recalls and safety updates through official channels. Thank you for choosing Magtech Ammunition.
