

# MICROFIBER POLISHING CLEANING CLOTH - FLITZ MICROFIBER CLEANING CLOTH

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Delivers a streak-free luster on fine gun finishes. Manmade blend of Polyester and Polyamide (a nylon by product) in a microfiber, cleaning/polishing cloth produces superb results on gunmetal, stock finishes, leather, and more. Ultra-thin, wedge shaped microfibers are 100 times finer than a human hair; electro static qualities attract grime and liquid and locks them into the fabric to eliminate smears and streaks. Absorbs four times its weight and works on virtually all surfaces, wet or dry. Excellent for deep cleaning of fine, stock finishes and for removing grease, oil, dust, and fingerprints from high gloss, blued finishes that never seem to buff out right using an old sock. Safe on all surfaces, even eyeglasses! Helps form a brilliant shine when using Flitz Metal Polish. Washable and reusable up to 500 times.

## Attributes

- Name: [FLITZ MICROFIBER CLEANING CLOTH](#)
- Manufacturer: [FLITZ](#)
- Product no.: 100013084
- Mfr. No.: MC200

# Safety Instruction Guide for MICROFIBER POLISHING CLEANING CLOTH

## Introduction

Thank you for choosing the Flitz Microfiber Polishing Cleaning Cloth. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read the instructions carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use on various surfaces. Ensure proper handling and storage to avoid accidents.
- **Enhanced Recalls:** In the unlikely event of a product recall, follow the instructions provided in recall notices. Stay informed about product safety updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is safe for use by adults. Keep out of reach of children to prevent misuse.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact point associated with this product.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform, which provides rapid alerts on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Excessive Moisture:** While the cloth can absorb liquids, do not saturate it. Excessive moisture may reduce its effectiveness.
- **Do Not Use with Harsh Chemicals:** Avoid using the cloth with abrasive cleaners or harsh chemicals that may damage the fabric.
- **Keep Away from Open Flames:** Do not use near open flames or high-temperature surfaces to prevent fire hazards.
- **Inspect Before Use:** Check the cloth for any signs of damage or wear. Do not use if the cloth is torn or frayed.
- **Keep Away from Children:** This product is not a toy. Ensure that it is stored out of reach of children.

## Instructions for Installation and Usage

1. **Preparation:** Ensure the surface you wish to clean or polish is free of loose debris. Dust or dirt may scratch the surface during cleaning.
2. **Application:**
  - For best results, use the cloth dry or slightly dampened with water.
  - Apply Flitz Metal Polish to the surface if desired, then use the microfiber cloth to polish.
3. **Cleaning the Cloth:**
  - After use, wash the cloth in warm water with mild detergent.
  - Do not use fabric softeners as they may reduce the cloth's effectiveness.
  - Allow the cloth to air dry completely before storing.
4. **Storage:** Store the cloth in a clean, dry place away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the microfiber cloth responsibly. If it becomes worn out or damaged, consider recycling options if available in your area.

- Do not dispose of the cloth in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For further support or inquiries regarding the Flitz Microfiber Polishing Cleaning Cloth, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy using your Flitz Microfiber Polishing Cleaning Cloth for a streakfree shine!
