REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes Safety Instruction Guide

Introduction

Thank you for choosing the REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes by CARLSONS. These magazine extensions are designed to enhance the firepower of your shotgun. This safety instruction guide provides essential information on safe usage, installation, and disposal of the product, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users of this product are familiar with shotgun safety practices.
- Always handle firearms with care and follow the manufacturer's instructions.
- Use the magazine extension only with compatible shotgun models: 1187, 1100, and 870.
- Be aware of your surroundings and ensure that the area is safe before using the shotgun.
- Store the shotgun and magazine extension in a secure location, away from children and unauthorized users.
- Regularly inspect the magazine extension for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Only use 12 gauge ammunition with this magazine extension.
- Ensure that the magazine extension is properly installed before loading ammunition.
- Do not exceed the maximum capacity of 8 rounds as indicated by the manufacturer.
- Always keep the shotgun pointed in a safe direction when loading or unloading.
- Be cautious of the potential for the shotgun to malfunction if improperly maintained or if the magazine extension is not correctly installed.
- If you experience any issues or malfunctions during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Remove the Magazine Cap:** Unscrew the existing magazine cap from your shotgun.
2. **Install the Magazine Extension:**
 - Align the threaded tube of the magazine extension with the magazine tube of your shotgun.
 - Screw the magazine extension onto the magazine tube until it is securely fastened.
3. **Insert the Spring and Follower:**
 - Place the spring inside the magazine extension tube.
 - Add the high visibility follower on top of the spring.
4. **Reattach the Base Clamp:** If applicable, attach the base clamp to secure the magazine extension.
5. **Check Installation:** Ensure that everything is tight and secure before proceeding to load ammunition.

Usage

- Load the magazine extension with a maximum of 8 rounds of 2 3/4" shells, plus 1 round in the chamber.
- Always check that the shotgun is unloaded before performing any maintenance or adjustments.
- Follow standard shotgun operation procedures when firing.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling it if possible.
- Do not dispose of the magazine extension in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes, please contact the manufacturer directly. Ensure that you have the product information on hand for reference.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes. Always prioritize safety and adhere to local laws and regulations regarding firearms. Thank you for your attention to these important guidelines.
