

GRIP PLUG KIT for GEN 4 GLOCK® - GHOST INC. GRIP PLUG KIT FOR GLOCK GEN 4

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

The Ghost Glock Gen 4 grip plug kit includes two plugs. One to be used with the back strap and another to be used without the back strap. The drop-in GHOST Grip Plugs are designed so that you can operate your Glock in a hostile environment, without the possibility of pistol fouling debris entering your pistol's mechanism through the grip opening behind the magazine well. The GHOST G-Plugs are designed to block the maximum amount of debris, while providing an improved chute to speed reloading. The GHOST G-Plugs also feature a bevel, assisting in magazine removal should a malfunction occur. To use, simply insert the GHOST Grip Plug that fits your application into the space

“GLOCK” is a federally registered trademark of Glock, Inc. and is one of many trademarks owned by Glock, Inc. or Glock Ges.m.b.H. Brownells is an independent dealer of parts and accessories for Glock pistols, and is not affiliated with or endorsed by Glock, Inc. or Glock Ges.m.b.H. GRIP PLUG KIT for GEN 4 GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the GRIP PLUG KIT for GEN 4 GLOCK® by GHOST INC. This guide provides essential safety information and instructions to ensure the safe use and installation of your grip plug kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is suitable for your specific Glock model (GEN 4).
- Always verify that your firearm is unloaded before installing or removing the grip plug.
- Keep the grip plug kit out of reach of children and unauthorized users.
- Regularly inspect the grip plug for any signs of wear or damage.
- Do not attempt to modify or alter the grip plug kit in any way.
- Report any product concerns or safety issues to the appropriate authorities.

Specific Safety Precautions for Use

- Use the grip plug kit only as intended, following the provided instructions.
- Be cautious when handling firearms; always treat every gun as if it is loaded.
- Ensure that the grip plug is securely installed before using your firearm.
- Do not use the grip plug kit if it appears damaged or does not fit securely in your Glock.
- In case of a malfunction, remove the grip plug and inspect the firearm before continuing use.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Identify which plug you will use: the one with the back strap or the one without.
- Remove the existing back strap if you are using the plug without it.
- Align the grip plug with the grip opening behind the magazine well.
- Gently push the grip plug into place until it is securely fitted.

2. Usage:

- Once installed, the grip plug will help prevent debris from entering the firearm.
- The design allows for improved reloading and magazine removal in case of a malfunction.
- Regularly check the grip plug for secure placement and cleanliness.

3. Removal:

- To remove the grip plug, simply pull it out from the grip opening.
- Inspect the grip area for any debris before reinstalling or using the firearm.

Disposal Instructions

- Dispose of the grip plug kit responsibly, in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- For assistance with disposal, consult local waste management authorities.

Contact Information for Further Support

For any questions or concerns regarding the GRIP PLUG KIT for GEN 4 GLOCK®, please reach out to the appropriate customer support channels available in your region.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your GRIP PLUG KIT for GEN 4 GLOCK®. Thank you for prioritizing safety and responsible firearm handling.
