

# 1911 RETRO REAR SIGHT - HARRISON DESIGN & CONSULTING 1911 RETRO REAR SIGHT U NOTCH

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Fits GI-Pattern Dovetail; Rugged Construction For Daily Carry

Fixed rear sight fits the GI-pattern dovetail and provides an improved sight picture while maintaining your pistol's stock appearance. An extra-wide .135" notch puts more light around the front blade to aid in faster target acquisition. 50 lpi horizontal serrations on the rear face help eliminate glare. A setscrew locks the sight into the dovetail for a secure installation that won't shoot loose, yet still allows drift adjustments for windage. Rounded corners help resist snagging during the draw from concealment. Precision machined from steel barstock to look good and handle the knocks of daily carry. The 1911 Retro Rear U Notch Sight is made to the same specs as the standard, square notch rear sight but instead features a .138" U notch.

## Attributes

- Name: [HARRISON DESIGN & CONSULTING 1911 RETRO REAR SIGHT U NOTCH](#)

# Safety Instruction Guide for 1911 Retro Rear Sight

## Introduction

Thank you for choosing the 1911 Retro Rear Sight by Harrison Design & Consulting. This guide provides important safety information and instructions to ensure the safe use and installation of your rear sight. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the rear sight.
- Inspect the rear sight and firearm for any visible damage before use.
- Use only with compatible 1911 models: Government, Commander, and Officers.
- Keep the rear sight and all firearm accessories out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- In case of an emergency, contact local authorities immediately.

## Specific Safety Precautions for Use

### • Installation Safety:

- Use appropriate tools for installation to avoid damage to the sight or firearm.
- Ensure the sight is securely locked in place using the setscrew to prevent it from loosening during use.

### • Handling Safety:

- Handle your firearm with care, always treating it as if it is loaded.
- Avoid placing fingers on the trigger until you are ready to shoot.

### • Visibility Safety:

- Ensure the sight is clean and free from obstructions to maintain a clear sight picture.
- Regularly check for wear or damage to the rear sight that could affect visibility.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Firearm:

- Ensure your firearm is completely unloaded.
- Place the firearm on a stable surface.

#### 2. Remove Existing Rear Sight:

- Use a sight pusher tool or appropriate tools to carefully remove the existing rear sight from the dovetail.

#### 3. Install the 1911 Retro Rear Sight:

- Align the new rear sight with the G1pattern dovetail.

- Gently push the sight into the dovetail until it is fully seated.
- Use the setscrew to lock the sight in place. Ensure it is tightened securely.

#### **4. Adjust for Windage:**

- If necessary, make drift adjustments to the sight for windage using appropriate tools.

#### **5. Final Inspection:**

- Check that the sight is securely installed and does not move.
- Confirm that the sight picture is clear and unobstructed.

## **Usage Instructions**

- Always use the rear sight in conjunction with a compatible front sight for optimal accuracy.
- Practice shooting in a safe and controlled environment to become familiar with the sight.

## **Disposal Instructions**

- Dispose of any damaged or unusable firearm accessories in accordance with local regulations.
- Do not dispose of the rear sight in regular household waste. Instead, check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Retro Rear Sight, please refer to the manufacturer's website or customer service for assistance. Always keep your purchase information and warranty details readily available for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 1911 Retro Rear Sight. Thank you for your attention to safety.
