

# **TACTICAL POLYMER SD ACTION ENHANCEMENT TRIGGER - APEX**

## **TACTICAL SPECIALTIES INC APEX POLYMER ACTION ENHANCEMENT**

### **TRIGGER**

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Apex Polymer Action Enhancement Trigger Kit directly replaces the factory hinged trigger with a solid body polymer trigger with a center mounted pivoting safety. The rounded face of the trigger provides a smooth, comfortable surface for the shooter's finger while firing. The trigger also reduces pre-travel by approximately 20% and over travel by 10% when compared to the factory trigger and is perfect for use in SD and Sigma pistols. The reduced power trigger spring kits can be special ordered. Use item 000-002-152 for Sigma.

#### **Attributes**

- Name: [APEX TACTICAL SPECIALTIES INC APEX POLYMER ACTION ENHANCEMENT TRIGGER](#)

## Safety Instruction Guide

### Introduction

Thank you for purchasing the Apex Polymer Action Enhancement Trigger Kit. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read the entire document carefully before installation and use.

### General Safety Guidelines

- **Product Safety:** This product is designed to meet high safety standards. Ensure that you follow all instructions for safe use.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided. Always check for updates regarding product recalls.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please reach out to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the installation and usage instructions before use.
- **Proper Handling:** Handle the trigger with care. Avoid dropping or mishandling it to prevent damage.
- **Installation:** Ensure that the trigger is installed by a qualified gunsmith or a knowledgeable individual.
- **Compatibility:** Verify that the trigger is compatible with your specific firearm model (Smith & Wesson Sigma).
- **Regular Checks:** Regularly inspect the trigger for signs of wear or damage. Replace if necessary.
- **Use Appropriate Ammunition:** Always use ammunition that is compatible with your firearm to prevent malfunctions.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation.

#### 2. Installation:

- Remove the factory trigger according to the firearm's manual.
- Install the Apex Polymer Action Enhancement Trigger by following these steps:
  - Align the trigger with the pivoting safety mechanism.
  - Secure the trigger in place using the provided hardware.
  - Ensure that the trigger moves freely and the safety functions correctly.

#### 3. Testing:

- After installation, conduct a function test in a safe environment.
- Ensure that the trigger operates smoothly and that the safety engages properly.

#### 4. Usage:

- When firing, maintain a proper grip and stance.
- Keep your finger off the trigger until ready to shoot.
- Always be aware of your surroundings and ensure a safe backdrop when firing.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Apex Polymer Action Enhancement Trigger Kit, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety. Enjoy your enhanced shooting experience responsibly!
