

SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT 20 GA

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Reusable Foam Swabs For Precision Cleaning

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

Safety Instruction Guide for SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH

Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** The Bore Tips are designed for safe use in cleaning firearms. Ensure that you follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to the designated contact point in the EU.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Avoid Direct Contact with Solvents:** The foam material absorbs solvents and oils. Avoid direct skin contact to prevent irritation.
- **Use in a WellVentilated Area:** Ensure adequate ventilation when using solvents to avoid inhaling fumes.
- **Check Compatibility:** Ensure that Bore Tips are compatible with your firearm's caliber. The .45 caliber Bore Tips will not fit .44 caliber barrels.
- **Inspect Before Use:** Check the Bore Tips for any damage before use. Do not use if damaged.
- **Keep Away from Heat:** Store away from direct sunlight and heat sources to prevent degradation of materials.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Bore Tips and cleaning rods.

2. Attaching the Bore Tip:

- Select the appropriate Bore Tip for your firearm's caliber.
- Screw the Bore Tip onto the cleaning rod using the 832 female thread adapter.
- Ensure a tight fit to prevent the tip from detaching during cleaning.

3. Cleaning Process:

- Apply a small amount of cleaning solvent to the Bore Tip.
- Insert the Bore Tip into the bore of the firearm, applying gentle pressure.
- Move the cleaning rod back and forth to ensure thorough cleaning.
- Use a clean Bore Tip for each pass to avoid redistributing dirt and debris.

4. Reusability:

- The Bore Tips can be reused up to five times. After multiple uses, inspect for wear and replace if necessary.

5. PostCleaning:

- Remove the Bore Tip from the cleaning rod and clean it with warm water to remove any residual solvents.
- Allow the Bore Tip to dry completely before storage.

Disposal Instructions

- Dispose of used Bore Tips in accordance with local regulations for hazardous waste.
- Do not dispose of in regular household waste if they are contaminated with solvents or oils.

Contact Information for Further Support

For further assistance regarding safety or product inquiries, please refer to the designated contact point in the EU.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH.
