

AK47/AKM OPTIC MOUNT SYSTEM - RS REGULATE ROMANIAN M10 FULL-LENGTH RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Updated design allows for customization of the mounting platform. Option of three different lower mounts, with a full length lower rail, forward rail and rear rail. Placement of lower rail allows for optics to be positioned in the ideal location front to back, as well as right to left. Lightweight CNC machined aircraft grade 6061 T6 aluminum. Position optics in co-witness location. Allows field stripping of the rifle without removal of the optic on most AK variants. Redesigned thumb lever lock retains zero even after repeated optic removal and reinstallation. Ability to stake position for extreme duty. AKML allows the mounting of the Aimpoint T-1 and H-1 Micro Red Dot Optics AKOG allows the mounting of Trijicon ACOG sight systems

Safety Instruction Guide for AK47/AKM Optic Mount System RS Regulate Romanian M10 FullLength Rail

Introduction

Thank you for purchasing the AK47/AKM Optic Mount System RS Regulate Romanian M10 FullLength Rail. This product is designed to enhance your shooting experience by allowing for the secure mounting of optics on your firearm. It is crucial to follow all safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the optic mount is compatible with your specific firearm model before installation.
- Regularly inspect the optic mount for any signs of wear or damage.
- Do not use the optic mount if it is damaged or if any components are missing.
- Store the product in a dry and secure location away from unauthorized individuals, especially children.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or removing the optic mount.
- Be cautious when adjusting the position of the optics to avoid injury.
- Do not exceed the manufacturer's recommended weight limit for optics mounted on the rail.
- Make sure that the thumb lever lock is securely engaged to maintain zero after installation.
- If you experience any difficulty during installation or use, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Mounting the Rail

- Select the appropriate lower mount based on your preferred configuration.
- Align the lower mount with the receiver side mount base dovetail on your AK or AKM rifle.
- Securely attach the mount using the provided screws, ensuring that they are tightened to the manufacturer's specifications.

3. Attaching Optics

- Choose an optic compatible with a 30mm OD tube.
- Position the optic on the mounted rail in your desired location.
- Secure the optic using the provided mounting hardware, ensuring it is tightened adequately.

4. Final Checks

- Verify that the optic is securely mounted and that the thumb lever lock is properly engaged.

- Perform a function check to ensure that the firearm operates correctly with the mounted optic.

Usage

- When using the optic mount, adjust the optics to your preferred sighting position.
- Regularly check the mount and optics for stability and security during use.
- If removing the optic for any reason, ensure that the thumb lever lock is disengaged and follow the removal instructions carefully.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service department.

By following these safety instructions, you can ensure the safe use of the AK47/AKM Optic Mount System RS Regulate Romanian M10 FullLength Rail. Always prioritize safety and responsible firearm handling.
