

AR-15/M16 EVOLUTION QUICK DETACH SLING MOUNT KIT - SAMSON MANUFACTURING CORP EVOLUTION QD SLING MOUNT KIT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Quickly Add QD Sling Mount To Evolution Rail

Machined aluminum QD sling mount drops into any Samson Evolution rail to give limited-rotation QD sling attachment point. Includes attachment screws and nut plate for tight, secure hold on the rail. Can be positioned anywhere on a Evolution rail for maximum flexibility for sling position. Will NOT work on the Evolution KeyMod rail.

AR15/M16 Evolution Quick Detach Sling Mount Kit

Safety Instructions

Introduction

Thank you for choosing the AR15/M16 Evolution Quick Detach Sling Mount Kit by Samson Manufacturing Corp. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the sling mount is compatible with your specific rail system. This product is designed for use with Samson Evolution rails only.
- Always inspect the sling mount and its components for damage before each use. Do not use if any part is damaged or missing.
- Keep this product out of reach of children and vulnerable individuals. It is not intended for use by anyone under the age of 18.
- Use the sling mount only for its intended purpose. Improper use may lead to accidents or injuries.
- In case of any malfunction, discontinue use immediately and report the issue to the manufacturer.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the sling mount. Overloading may cause failure and result in injury.
- Ensure that the attachment screws are securely tightened before each use to prevent accidental detachment.
- Avoid using the sling mount in extreme conditions, such as excessive heat or cold, which may affect its performance.
- When adjusting the sling position, do so slowly and carefully to avoid pinching or injury.
- Always ensure that the sling is properly attached and secured before use.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You will need a suitable screwdriver for the attachment screws.
2. **Position the Sling Mount:** Decide where you want to install the sling mount on the Evolution rail. It can be positioned anywhere on the rail for maximum flexibility.
3. **Insert the Sling Mount:** Drop the machined aluminum QD sling mount into the chosen slot on the rail.
4. **Secure the Sling Mount:**
 - Use the provided attachment screws to secure the mount.
 - Attach the nut plate behind the rail to ensure a tight hold.
 - Tighten the screws firmly, but do not overtighten, as this may damage the rail or the mount.
5. **Final Check:** After installation, check that the mount is securely attached and does not move.

Usage

1. **Attaching the Sling:** Connect your sling to the QD attachment point on the mount.
2. **Adjusting the Sling Position:** Adjust the sling as needed for comfort and accessibility while ensuring it is securely attached.
3. **Regular Inspections:** Periodically check the sling mount and attachment points for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Ensure that all components are disposed of safely, keeping them out of reach of children and pets.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure the safe and effective use of your AR15/M16 Evolution Quick Detach Sling Mount Kit. Thank you for your attention to safety, and enjoy your product responsibly!
