# MS1/MS3® QD Adapter Safety Instructions

## Introduction

Thank you for choosing the MS1/MS3® QD Adapter. This product is designed to enhance your sling system by providing the ability to convert between onepoint and twopoint configurations. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only as intended, following all instructions provided.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- Do not exceed the weight limits specified for the product to prevent failure during use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the QD (Quick Disconnect) mechanism is fully engaged before using the sling.
- Avoid using the adapter with incompatible sling components or hardware.
- Be cautious when transitioning between onepoint and twopoint configurations to prevent entanglement.
- Ensure that all connections are secure and that there are no loose components before use.
- Do not modify the adapter or use it in a manner not specified by the manufacturer.

## Instructions for Installation and Usage

### Installation

#### 1. Identify the Mounting Points:

- Rear: Works with receivers, end plates, and buttstocks that have a pushbutton QD socket.
- Front: Compatible with the optional Paraclip™, Magpul RSA®, MSA®, and Forward Sling Mounts, as well as standard or QD sling swivels.

#### 2. Attach the Adapter:

- Insert the QD swivel into the designated socket until you hear a click, indicating it is securely locked in place.
- For the front attachment, ensure the Paraclip™ is properly connected to the sling.

#### 3. Adjust the Sling:

- Adjust the length of the sling to ensure proper fit and comfort during use.

### Usage

- To switch between onepoint and twopoint configurations:
  - For onepoint use, ensure that the QD swivel is attached to the rear mount.
  - For twopoint use, connect the Paraclip™ to the front attachment point.
- Always verify that the sling is properly adjusted and secure before engaging in any activity.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste. Instead, consider recycling where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the MS1/MS3® QD Adapter, please refer to the manufacturer's contact details provided with the product packaging or visit their official website for more information.

By following these safety instructions, you can ensure a safe and effective experience with your MS1/MS3® QD Adapter. Thank you for your attention to safety, and enjoy your product!
