# Safety Instruction Guide for MS1/MS3® QD Adapter

## Introduction

Thank you for choosing the MS1/MS3® QD Adapter. This product is designed to convert your sling from a onepoint to a twopoint configuration, providing versatility and quickrelease capabilities. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always ensure that the adapter is securely attached before use.
- Regularly inspect the adapter for signs of wear or damage.
- Do not use the adapter if you notice any defects or if it has been involved in an accident.
- Keep the adapter out of reach of children and vulnerable individuals.
- Ensure that you are familiar with the operation of the MS1 Sling and Paraclip before use.
- Follow all local laws and regulations regarding the use of slings and firearm accessories.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.
- **Weight Limit:** Ensure that the combined weight of the equipment attached to the adapter does not exceed the manufacturer's specifications.
- **Environmental Conditions:** Avoid using the adapter in extreme weather conditions that may affect its performance.
- **Proper Handling:** Always handle the adapter with care. Avoid dropping or subjecting it to impacts.
- **Emergency Situations:** Familiarize yourself with the quickrelease capabilities of the adapter for emergency situations.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Attach the QD Sling Swivel to the designated socket on the firearm.
3. Secure the Paraclip to the sling attachment point.
4. Confirm that all connections are tight and secure.

- **Usage:**

- To switch from onepoint to twopoint configuration:
  1. Detach the Paraclip from the sling attachment point.
  2. Reattach the Paraclip to the desired location to convert to a twopoint configuration.
  3. Ensure that the connection is secure before use.

- **Maintenance:**

- Regularly clean the adapter with a damp cloth to remove dirt and debris.
- Inspect the webbing for any signs of fraying or wear.
- Store the adapter in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the adapter in accordance with local regulations.
- Do not dispose of the adapter in regular household waste.
- Consider recycling the product if possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please contact your local retailer or refer to the manufacturer's website for further assistance.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the MS1/MS3® QD Adapter.
